

# LAUNCHING BANCO ATLANTIDA

At two minutes thirty seconds into restricted video 'Oculus Dei – The Whore of Babylon or Bob and Rocky – part 1' USB pen drive folder <ApollobathTV/Oculus Dei> are presented news articles from 2018 reporting a 'Golden Era' of trade ties between China and the UK.

To construct 5 pyramids  
Crown Office and Banco Atlantida  
combines 6 commodity holders

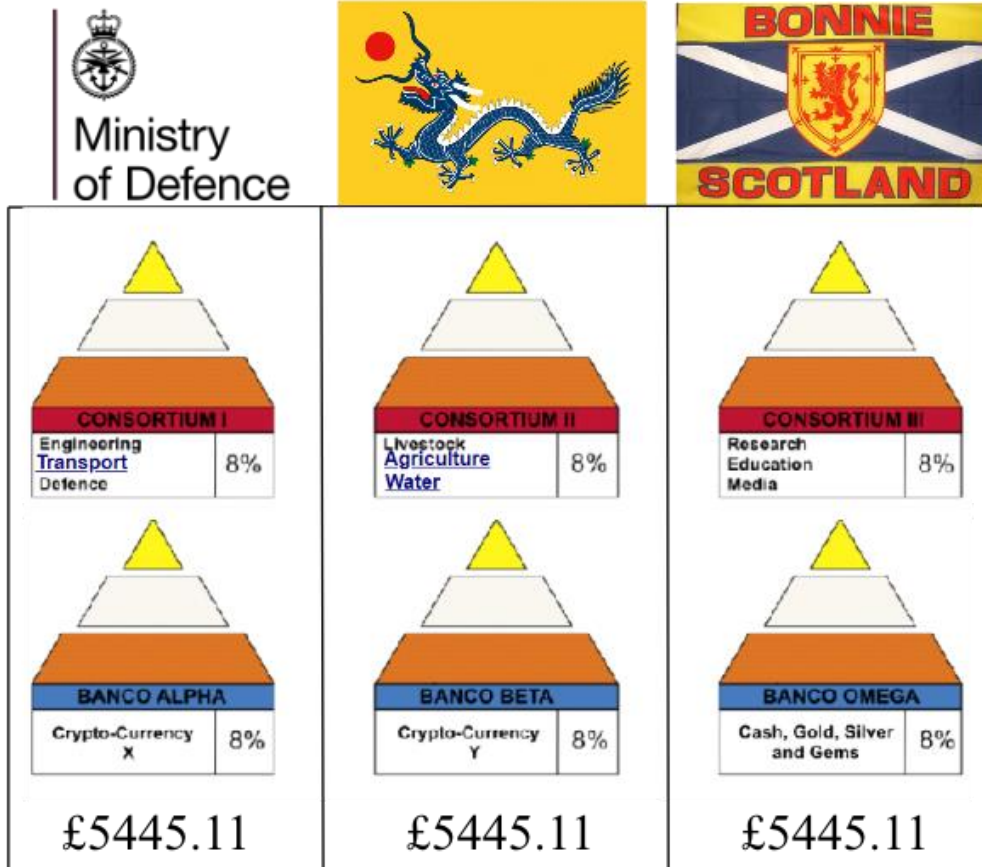

- 3 Consortiums
- 3 Banks

Seeking to build on this relationship, I wish to invite investment into BANCO ATLANTIDA as introduced in pdf document provided on USB pen drive folder <BANCO ATLANTIDA> and downloadable from [www.apollobath.org](http://www.apollobath.org).

June 2024 letter to Home Secretary James Cleverly proposes that a debt to the British Tax Payer of £5445.11 be absorbed into an engineering contract with the Ministry of Defence, this debt is comparable to that incurred during 2005 when a Honk Kong and Shanghai Banking Corporation gold credit card was used to initiate a studios project in support of an archaeological expedition of Brazil's Ilha Santa Catarina.

On launching BANCO ATLANTIDA, I wish to invite investment of £5445.11 from the Scottish National Party to match that of debts incurred to the British Tax Payer and the HSBC, the SNP gaining commercial interest in the fields of Research, Education and Media. BANCO ATLANTIDA offering first choice option to the Ministry of Defence for commercial interest in Engineering, Transport and Defence and first choice option to the Peoples Republic of China for commercial interest in Livestock, Agriculture and Water.

Kind regards

Graeme Parker
