Dear Andrew

Ref: Invitation to Apollobath's TV gameshow 'Time Tunnel – The Atari Alliance', Kylie, Jason and proposal of being a founding father to 'Oculus Dei'.

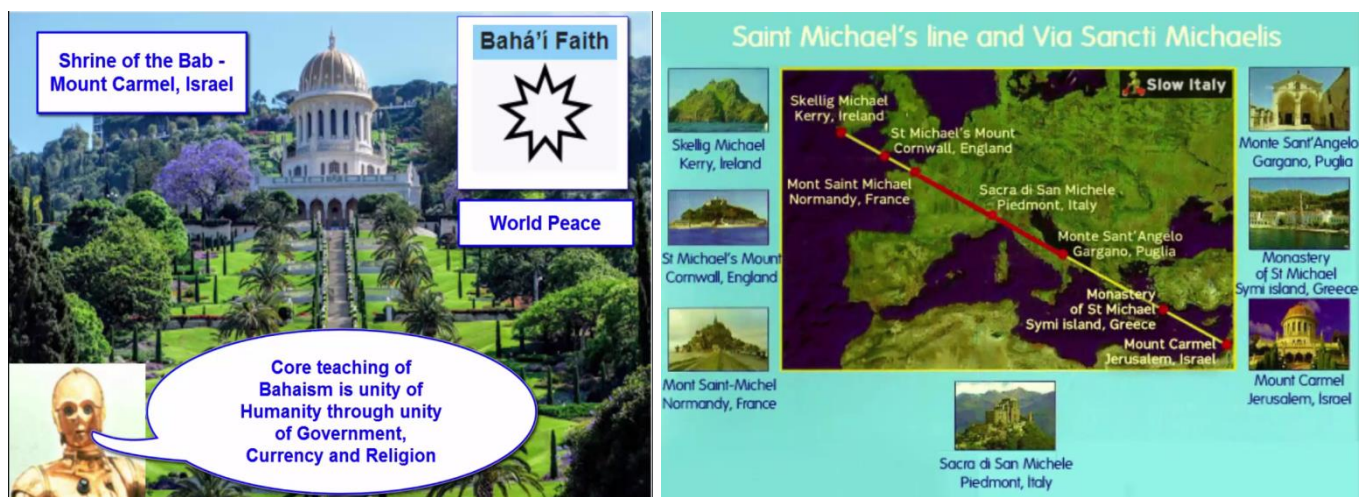

Please find enclosed your personal invitation to gameshow 'Time Tunnel – The Atari Alliance', as a potential contestant you are identified as 'Ace of Diamonds – Red Crystal Skywalker – Castle Green Enchanted Wave 18'.

One objective of the Time Tunnel is to build a virtual 'Camaialot' identifying individuals by their Birthdate Playing Card (Rosicrucian Cardology) and Mayan Galactic Signature (Kin). For further explanations document 'Oculus Dei – Establishing Embassy to Significant Religious Objects – Camaialot' is provided.

In the world of the living you are companioned with three other well-known Red Crystal Skywalkers :- Clint Eastwood; the Brazilian football ace Ronaldo Nazare and the basket/ baseball star Magic Johnson.

In the world of the deceased three well-known Red Crystal Skywalkers are Marie Antoinette, Emily Bronte and Persian founder of the Baha'i faith Bah'u'llah (The Bab).

Earlier in the year, holding ambition to establish 'The Los Angeles Embassy to the Arc of the Covenant and Caravan of Treasures', I produced music video 'The Fall of Man and the Return of our Jedai – part 2'. Final scenes highlight the Shrine of the Bab on Israel's Mount Carmel and this location being situated on the St. Michael Line that terminates at Skellig Michael Kerry, Ireland.

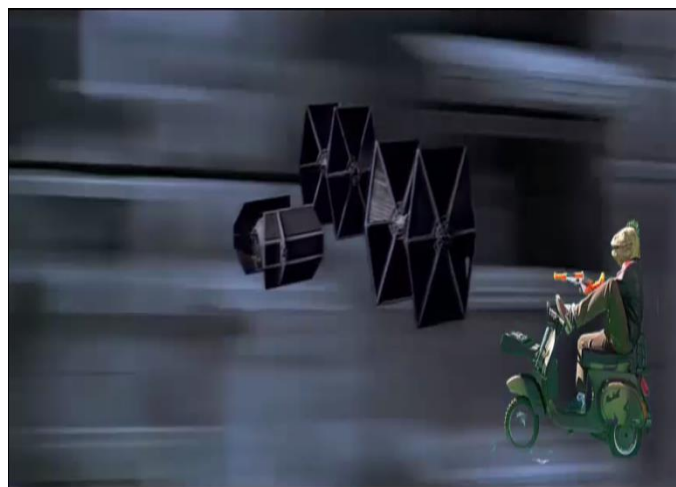

The St. Michael Line also features in Apollobath TV's promotional rock opera video series featuring Excalibur 'The Ice Maidens of Atlantis' and episode 'Archangel Michael and Lord Shivas Mandela Effect', casting Michael Jackson as himself and provisionally casting Britney Spears as the Lady of the Lake.

I wish to invite your interest in composing an Ice Maidens of Atlantis rock opera episode starring Kylie Minogue and Jason Donovan. Both of whom were (some may say unfortunately) 'spawned' into the same Mayan Castle and Enchanted Wave as myself – Castle White Enchanted Wave 5.

Many fateful coincidences occur in study of Mayan Galactic Signature (Kin) astrology, for example both Bill Clinton and Barack Obama are identified as 'Kin 173 Red Self Existing Skywalker' and Captain Kirk (William Shatner) was spawned together with Spock (Leonard Nimoy) into Castle Red Enchanted Wave 1.

Apollobath TV's sporting event series featuring The Sword in the Stone as a champion's trophy 'As Surfistas da Roda', promotional video 'The Golden Egg of Fire Mountain and the Mods', introduces Space Vespas that fly under the power of music.

A supermarket stand of tabloids recently informed me that Kylie is quitting London to return home to Australia. Maybe you could be persuaded to combine forces with Pete Townsend and assist a Kylie and Jason re-union by dressing Kylie as an Italian styled 'Modette'.

A website for your perusal is available www.apollobath.org and am inviting your Lordship Lloyd-Webber to be a founding father to 'Oculus Dei' a proposed Governing Counsel and Charity.

Yours entertainingly

Graeme Parker
