Seeking to continue act in best interests of delivery of the *'Ark of the Covenant (Ben Ben Stone) and Caravan of Treasures'* to South America, discovery of which a consequence of initiating a studios project in 2005 supporting an archaeological expedition of Ilha Santa Catarina, Brazil (Lat 27deg South). I am requesting the British Antarctic Survey together with the Mayor of my hometown Huntingdon assist mounting a multi-disciplined expedition party that I believe will unveil the exploits of Sir Henry William Sinclair's expedition to the Americas that departed from the Orkney Islands in 1398.
