Dear Rebecca Tipping

**Ref: Brazilian Expedition Party and Covid-19 Bio Weapon – UK Police Officer Neil Andrew Kirk**

This is a second presentation to Cambridgeshire Constabulary HQ the first letter of introduction can be found on enclosed CD Rom in folder < Letters of Introduction/British Government >.

This communication being shared with :-

- The Masonic Lodges of Johannesburg and Ilha Santa Catarina Brazil
- The Iranian Embassy of London
- The Jamaican Embassy of London
- The Chinese Embassy of Edinburgh
- The Scottish National Party
- Pushkin House London
- British Consulate-General São Paulo
- Cambridge University Vice Chancellors Office
- British Antarctic Survey, Cambridge
- The Lord Mayor of Liverpool
- The Mayor of Huntingdon
- MP for Huntingdon Jonathon Djangoly

Re-introduction of my affairs to the British Consulate General of Sao Paulo includes advocacy preparation as I seek prosecution of a Brazilian Federal Police Officer for his actions and injuries inflicted consequential to my attempt to raise the issue of laws pertaining to his country's national security. Wishing to return to Brazil with an expedition party including members currently serving in the British Army (preferably the Royal Engineers Regiment see letter of correspondence to Huntingdon Town Mayor), I believe a role arises for a British Policeman to act in liaison with Brazilian counterpart and our own Ministry of Defence.

From my Curriculum Vitae you will see that I am a graduate in Mechanical Engineering from Leeds University 1988 – 1991, during this course of study I shared a house with, drank Tetley beer and rode motorcycle pillion to and from lectures with Mr Neil Andrew Kirk of Grantham Lincolnshire. Inviting your study of dossiers '**Establishing Embassy to Significant Religious Object – Grail Technologies and Camaialot A & B**' you will learn that Lincoln Cathedral features very much in presentation.

This is a photo from Neil Kirk's Facebook page. Following our graduation Neil employed his engineering degree to work for British Gas and married his long term girlfriend also from Grantham whereas I went backpacking to Greece, Israel, Egypt and USA. Neil soon quit employment with British Gas and joined the Police Force of Leicestershire Constabulary.

I believe Neil Kirk to be ideal candidate for the role as his engineering qualification lends itself to the task in hand. Maybe your office could confirm of Neil's current role with the UK Police as I seek assistance from the Huntingdon Mayor to raise an expedition party.

The bulk of material provided on enclosed CD Rom has been developed since the UK Covid-19 Lockdown's commenced in the spring of 2020 and when I was temporarily housed in the Dolphin Hotel, St Ives. Chapter 3 of dossier **'Establishing Embassy – The Anunnaki Conquest of the Free World part A'** reveals elements and purpose of the Covid-19 vaccines, whose patents protect the general public from knowing the truth as to what they have been inoculated with. This chapter also introduces bio-weapon technology employed of Covid-19 virus cells added to electronic circuit board/ component lacquer coating, one application being the circuitry of blue tooth Hearing Aid products, thus explaining the 'spike' of infections and deaths experienced in the country's nursing and care homes for the elderly.

CD Rom folder <ApollobathTV/Covid Truth> provides video evidence of Bill Gates, Barack Obama and Joe Biden predicting a second pandemic and folder <ApollobathTV/Oculus Dei> videos **'The Cyborging Ephereal Bath'** and **'The Whore of Babylon or Bob and Rocky part 3'** informs the viewer of face mask wearing as pre-conditioning for protection from upcoming nuclear fall-out.

Inviting your review of restricted dossier **'Anunnaki Conquest part C'** and chapter **'35. Babylon Reducing Global Population by a Third'** and suggesting police detective resource be applied in gathering evidence of Covid-19 virus cells being released into the British Isles by afore mentioned mechanism. Knowledge of which resulted in production (while residing in the Dolphin Hotel 2020 subsidized by Universal Credit) of Rock Opera Video **'Ice Maidens of Atlantis – Birth of Venus and the A.I. Virus'** introducing storage location of Lightsabre Excalibur shielded by the engineering of Iron Curtain which would be of great interest to Neil Kirk.

Kind regards

Graeme Parker
