March 2025

Dear Chief Constable

**Ref: Establishing Los Angeles Embassy to Significant Religious Object**

As sixth presentation intended for the Chief Constable of Cambridgeshire Police I request your review of my first letter to you of June 2023 provided on enclosed USB pen drive folder:- Letters of Introduction/British Government and most recent letters of March 2025 intended for:-

- Secretary of Defence John Healey
- The Church of England c/o Vicar Jon Randall
- Mayor of Newquay Cllr Drew Creek

This letter to you also provided for Huntingdon MP Obese-Jecty via his government email address.

My first letter to you featured the following statement as to my father James Ronald Parker –

***2003** – Reporting Graeme Parker to UK Police as a missing person and made suspect of international drug trafficking, while knowing full well that his son's actions were that of a travelling competitive surfer marketing engineering software.*

Making preparations to return to Brazil preferably with an expedition party (the last time I left the UK for Brazil being in October 2003), I wish to make an appointment with yourself or a representative of the Home Office to make statement as to my whereabouts, company kept and actions that resulted in my father reporting me as a missing person in 2003.

Having made regular requests to Cambridgeshire Mental Health for a Consultant review since receipt of my mental health records in 2021 and having had no positive action taken, I request your assistance in this matter and invite review of presentation *UK Mental Health Review Request - December 2024* provided on enclosed USB pen drive folder:- Letters of Introduction/British Government/Cambridgeshire Mental Health

Living under a false diagnosis of mental health I believe is inhibiting progress in the following:-

- Acknowledgement by the professional medical community of a muscle paralysis disease caused by water born parasite.
- The Ministry of Defence awarding an Engineering Contract.
- My qualifying for a Private Pilot License.
- Successful prosecution of three Brazilian Nationals.

Correspondence to Huntingdon Vicar Jon Randall features an ultimatum given to my paternal Aunt Coryn and estranged elder brother Ian Parker referring to the changing of my name by deed poll, so as to facilitate my ceasing regard them as kin folk. And with this letter am making a request for my brother to attend requested Police/ Home Office appointment as I make presentation of a 1938 Nazi Party diary the year of our father's conception, including a list of German names who I believe assisted our father procure teenage prostitution.

Yours sincerely,

Graeme Parker
