

The Cromwell Museum  
Grammar School Walk  
Huntingdon PE29 3LF

June 2024

Dear Sir/ Madam

**Ref: Starforts and Lincoln Cathedral**

A few of weeks ago I visited the Cromwell Museum and saw your model of the bulwark at Earith which was also reported by the BBC during floods of January 2021. I also enquired as to Cromwell's army removing the brass from Lincoln Cathedral's floor and General Monck sacking Rosslyn Castle in Scotland.

I wish to introduce you to a four part set of dossiers titled under collective heading ***'Establishing Embassy to Significant Religious Object(s) Ark of the Covenant, Holy Grail and Caravan of Treasures'***.

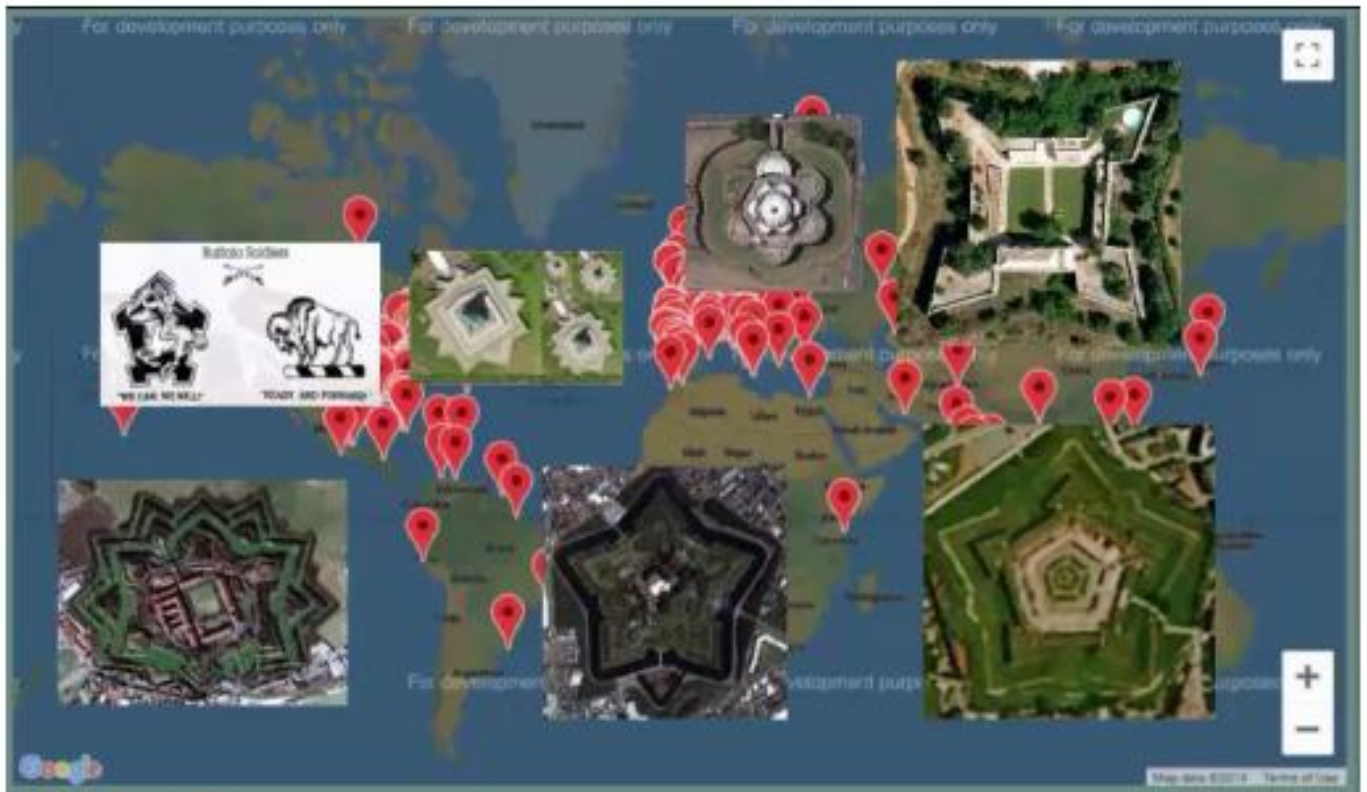

The four parts individually titled:-

- ***Lifting the Veil***
- ***The Anunnaki Conquest of the Free World volumes A, B & C***
- ***Grail Technologies***
- ***Camaialot volumes A & B***

And are provided on enclosed USB pen drive or available for download from website [www.apollobath.org](http://www.apollobath.org) – link – ***Crown Office and Embassy***. Due to their restricted content dossier volumes B & C of *The Anunnaki Conquest of the Free World* are unavailable for download but provided for your review on enclosed USB pen drive.

In year 2005 a HSBC gold credit card was used to initiate a studios project supporting an archaeological expedition of the central region of Ilha Santa Catarina, Brazil. Expedition success has resulted in a large quantity of artistic material which can be viewed in a condensed presentation titled ***Phoenix Stargate and Artistry of Divine Rule Management***, also provided on enclosed USB pen drive folder <Establishing Los Angeles Embassy> and available for download from afore mentioned website link.

I wish to bring your attention to dossier ***Lifting the Veil*** and ***Chapter 10. Tartaria, Star Forts and the Fifth Element*** from which the following is taken:

The Tudor Rose fitting the shape of star forts at the heart of the Vatican and Pentagon and the Statue of Liberty constructed on top of an 'Old World' Starfort.

Lutheran and Tudor Roses artistic representations of Starforts and the Northern peninsular of Ilha Santa Catarina is home to a Starfort. For Starfort creation see video- **Starforts and Cymatics of the Tudor Rose**

Inviting your viewing of video **Starforts and Cymatics of the Tudor Rose** USB pen drive folder <ApollobathTV/Historical>, which raises question as to the validity of Historic England and the BBC making the following statement:

*'The Earith Bulwark was built in about 1643 at Earith in Cambridgeshire by Oliver Cromwell's forces to protect crossing points on the local rivers. Historic England said it was "amongst the most elaborate fortifications" from the Civil War (1642-51).'*

Expressing belief that archaeological discoveries made on Ilha Santa Catarina are consequence of an expedition that left the Orkney Islands lead by Sir Henry Sinclair in 1398 and I invite viewing of video **Ark and Grail Journey** USB pen drive folder <ApollobathTV/Historical>.

Surviving volunteers set sail to return to the northern hemisphere with the Holy Grail

Arriving in Britain our friends sailed up the River Trent and stopped at the City of Lincoln

to bury a fragment of Grail Rock underneath the huge cathedral

burying the Holy Grail in the hills close to Thornborough Henge

giving us 'Pennine Stargate'

REPUTATIONS  
OLIVER CROMWELL

The Freemason Oliver Cromwell came and removed the Brass Flooring

CROMWELL LODGE No. 6971

Belief that a fragment of Grail Rock is buried beneath Lincoln cathedral provides an alternate history to the reason for Oliver Cromwell removing the brass from the cathedral's floor and this is expressed in dramatization video **Ice Maidens of Atlantis – Cleopatra and the Oriongate Affair** USB pen drive folder <ApollobathTV/Ice Maidens of Atlantis>. General Monck sacking Rosslyn Castle could also be another act in the **Battle of the Anunnaki/ Pleiadian Gods** which is introduced in letter **Jehovah Witnesses and Abrahamic Religions Introduction 1** USB pen drive folder <Letters of Introduction/Jehovah Witnesses>. Your curator informed me that Cromwell used Lincoln cathedral's brass to make musket balls and I invite your review of my January 2024 letter to **Foreign Secretary - David Cameron** <Letters of Introduction/British Government>.

Kind regards

Graeme Parker
