Lieutenant Colonel The Right Honourable James Cleverly
Home Secretary
House of Commons
London SW1A 0AA

June 2024

Dear James Cleverly

Ref: Establishing Los Angeles Embassy to Significant Religious Object and Universal Credit

This first introduction to the Home Secretary (inviting review by former PM John Major and/or MP Jonathon Djangoly) is being entrusted for delivery via Huntingdon Conservative Association. Previous letters of introduction to British Government can be found on enclosed USB pen drive folder <Letters of Introduction/British Government>, this letter provided in folder <Letters of Introduction June 2024>.

November 2023 letter provided for Huntingdon MP Jonathon Djangoly included the following paragraphs:-

In CD Rom folder <Letters of Introduction/British Government> can be found introductions intended for Sir Richard Branson and David Cameron. The former PM featuring in dossier 'Anunnaki Conquest B' and Sir Branson in dossiers 'Camaialot A & B'.

Second letter to the Masonic Lodge of Ilha Santa Catarina raises the issue of presentation to CELAC (Community of Latin American and Caribbean States) whose headquarters are in Caracas. Wishing to return to Venezuela via Lanzarote this coming winter I invite your review of dossier 'Camaialot A Chapter 10. Banco Atlantida and the Panama Canal' and am requesting the Conservative Party for introduction to both David Cameron and Richard Branson prior to my departing the UK (David Cameron and John Major both having residences in Lanzarote.'

As stated in November, since taking a five year absence from international travel, earlier this year I travelled to Venezuela and Lanzarote. During an 18 day period of March spent in Lanzarote the Department of Work and Pensions opened inquiry as to claim of Universal Credit Housing Allowance and I responded with statement provided to Newquay Jobcentre Plus pen drive folder <Letters of Introduction June 2024>. A judgement has been passed that I was overpaid and demand made for return of £5445.11. I am in disagreement with this decision, continuing to act in the best interests of our country in establishing the Los Angeles Embassy to Significant Religious Object I wish to draw your attention to letter of January 2024 intended for Foreign Secretary Lord Cameron <Letters of Introduction May 2024> and my offering of service to the Ministry of Defence an Engineering Contract and propose that this debt to the British Tax Payer be absorbed into such an arrangement assisting the launch of **BANCO ATLANTIDA**. This proposal shared with the Scottish National Party and the Chinese Consul General of Edinburgh see document **Launching Banco Atlantida**.

April 2024 provided expansion of restricted dossier 'Establishing Embassy - The Anunnaki Conquest of the Free World vol C', it now includes the following chapters assisting presentation to Donald Trump:-

- 42. The Bulls Leg Sacrifice and Pharaoh's Beard
- 43. The Black Cube's Four Horus Men of Rome's De-populating Apocalypse
- 44. The Three American Eclipses
- Expansion of chapter 45. Epilogue – The Flying Scotsman, Cleopatra's Spy and the Fifth Horseman

April 2024 also provided lengthy introduction to **The Church of England** care of hometown Huntingdon Vicar John Randall and an introduction to the **University of Leeds** Vice-Chancellor Professor Hai-Sui Yu that includes the following paragraph:-

'Driven by belief that society's progress is achieved through scientific advancement with entrepreneurship and technology being a source of social change and not the state, I wish to invite the University of Leeds to a proposed business venture with the Ministry of Defence and De Beers Group.'

Your title of Lieutenant Colonel in the Voluntary Regiment is same rank as my grandfather of the Royal Engineers whose death in 1998 resulted in my re-locating to Brazil with intent on furthering my own engineering career. Lieutenant Colonel Lionel Dollery features in 2020 letter to Queen Elizabeth II (pen drive folder <Letters of Introduction/Royal Families>) and since June 2023 I have been making request to

Huntingdon Town Mayor's office for assistance in mounting an expedition party consisting of soldiers from the Royal Engineers Regiment.

My February 2024 return to Venezuela promoting both gameshow franchise variant **'Time Tunnel – Stargate Athena'** (featuring the Mira-Flores Palace as focal point) and integrated banking scheme BANCO ATLANTIDA, coincided with Boris Johnson's visit to Caracas and his meeting with president Maduro as reported in the April 19th edition of the Financial Times.

Boris Johnson breached UK government rules by failing to disclose his relationship with a hedge fund that organised his visit to meet Venezuelan president Nicolás Maduro, according to the Whitehall appointments watchdog.

Lord [Eric Pickles](#), chair of the Advisory Committee on Business Appointments, reported the breach in a letter to deputy prime minister Oliver Dowden on Friday.

Pickles said the former UK prime minister had been “evasive” in his dealings with Acoba, avoided answering specific questions and “refused to be open about his relationship to Merlyn Advisors”.

People familiar with the matter told the Financial Times last month that the London-based hedge fund had arranged Johnson’s controversial visit to Venezuela.

Former JPMorgan banker Maarten Petermann, co-founder of Merlyn Advisors, organised Johnson’s below-the-radar trip by private jet in February, the people said.

Petermann is interested in normalising diplomatic relations between London and Caracas, they added.

Boris Johnson features in introduction to The Church of England and also in November 2023 letter to the Jamaican Ambassador His Excellency Mr Seth George Ramocan (pen drive folder <Letters of Introduction/Jamaican Government>) as follows:-

‘My first letter to His Excellency introduced safe haven banking venture ‘Banco Atlantida’ and proposed entering of business with Transbit Telecom of Venezuela who connect Cuba, Jamaica and Venezuela via a sub-sea silicon fibre cable. Inviting your review of Anunnaki Conquest part C and Chapter 31 - expressing belief that Boris Johnson has a store of gold bullion in the Caribbean (suspicion falling on the private Island of Mustique). Wishing to prevent a well planned mass sacrifice of human souls perhaps your office could do some research into Mr Johnson’s Caribbean affairs in hope that his suspected bullion wealth be used for a greater good and become an asset to Banco Atlantida.’

Venezuela and President Maduro feature in promotional videos **'The Killing Moon'** (pen drive folder <ApollobathTV/Historical>); **'Jupiter Moon – Excalibur – Part 3'** <ApollobathTV/Jupiter Moon> and Ice Maidens of Atlantis episode **'Sekhmet and the Star of Africa'** <ApollobathTV/Ice Maidens of Atlantis>.

On a lighter note, I've provided your invitation to gameshow franchise variant **'Time Tunnel – Stargate Pandora'**. As a point of interest you were born into the same school year as myself, commencing on the 1st of September 1969 this also happens to be day one (Kin 1) of a 260 day Tzolkin Harmonic Module (see dossier **'Establishing Embassy – Camaialot A'**). Your birthdate provides Camaialot and BANCO ATLANTIDA identity **'Yellow Self Existing Seed – 7 of Diamonds'** a further synchronicity exists in that current Prime Minister Rishi Sunak is also identified as **'Yellow Self Existing Seed – 7 of Diamonds'** a probability rate I believe to be about 1 in 10,000. In November 2023 Rishi Sunak's Camaialot identity assisted introduction to Russian Scholars of Pushkin House, Alexander Pushkin identified as **'Yellow Self Existing Seed – Jack of Diamonds'**.

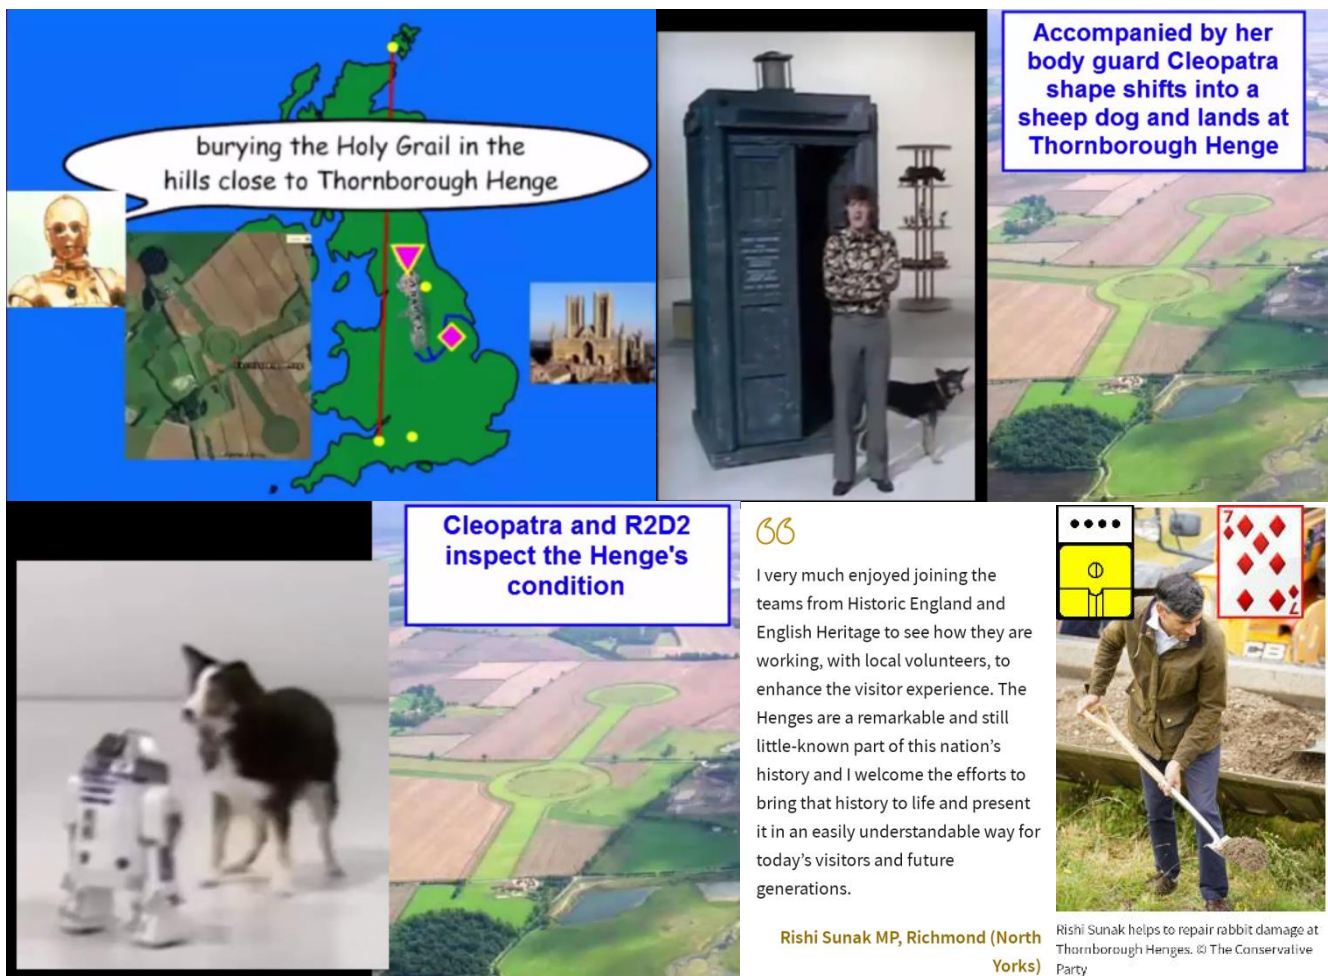

<p>Castle Red - Enchanted Wave 1</p>  <p>James Cleverly - 04.09.1969</p> <p>Mayan Kin 4: Yellow Self Existing Seed</p>	<p>Castle Red - Enchanted Wave 1</p>  <p>Rishi Sunak - 12.05.1980</p> <p>Mayan Kin 4: Yellow Self Existing Seed</p>	<p>Castle Red - Enchanted Wave 1</p>  <p>Alexander Pushkin - 06.06.1799</p> <p>Mayan Kin 4: Yellow Self Existing Seed</p>
--	---	---

Empowering Camaialot's construction further the only other occasion such a synchronicity has as yet occurred is when I provided Camaialot identity to a lady that works in Huntingdon Library's Archives Office (who has been witness to my work effort while claiming Universal Credit sat under the watchful gaze of John Major's statue a *'Blue Magnetic Eagle – 7 of Spades'*) she having same identity as George Lucas that of *'White Solar Worldbringer – 5 of Diamonds'* see link -

<https://www.apollobath.org/page2.html>

Please also find enclosed Boris Johnson's and President Maduro's invitations for gameshow franchise variant *'Time Tunnel – Stargate Athena'*. Since my five year absence from Venezuela food prices have sky rocketed to that now comparable with Italy so am gifting Boris the *'White Cosmic Wind – Jack of Clubs'* with a million Bolivares note that he may wish to cash in with his friends at Merlyn Advisors, who could be interested in assisting to open the **Cleopatra Suite** of the **Playboy Mansion Beverly Hills**.

A time travelling Cleopatra features with Henry VIII and the cars of my father in promotional video *'Ice Maidens of Atlantis – Cleopatra and the Oriongate Affair'* <ApollobathTV/Ice Maidens of Atlantis>. Introducing Thornborough Henge and the Stargate Pandora of Rishi Sunak's Richmond North Yorkshire constituency, to which the Prime Minister (or Yellow Self Existing Seed – 7 of Diamonds) inspected renovation of 21st July 2023 welcoming the efforts to bring their history to life for future generations.

Due to afore mentioned decision by the Department of Work and Pension, for the first time in 19 years since using a HSBC gold credit card to commence a Studios Project in Lagoa de Conceicao Brazil, I am seeking financial assistance to Establish the Los Angeles Embassy to Significant Religious Object. Inviting investment into BANCO ATLANTIDA, I would be grateful for a response from your office or a representative of within the next 21 days.

Kind regards

Graeme Parker
