June 2024

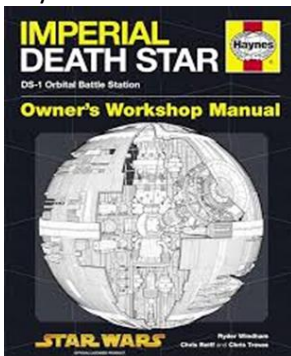

Dear John Major and Jonathon Djangoly

Ref: Establishing Los Angeles Embassy to Significant Religious Object – Dismantling the Deep State

I wish to invite your review of letters intended for the following provided on USB pen drive folder <Letters of Introduction June 2024>:-

- The Church of England
- Donald Trump and Mayor of New York
- The Scottish National Party and Chinese Consul of Edinburgh
- Foreign Secretary Lord David Cameron
- Home Secretary James Cleverly
- Cambridgeshire Police Chief Constable Nick Dean
- Leeds University Vice Chancellor Professor Hai-Sui Yu
- Newquay Jobcentre Work Coach Jenny
- The Cromwell Museum
- Brazilian Aeronautical Commission in Europe BACE

On completion of introduction to the Church of England, written in Huntingdon Library during April 2024, a Haynes Owner's Workshop Manual for the Imperial Death Star materialised in the local Oxfam's shop window.

The manual opens with a fictional imperial communique sent from Governor Tarkin to His Imperial Majesty Emperor and is a prime example of Trauma Based Mind Control:-
'Your Majesty, it has long been my contention that your New Order needs one undeniable and overwhelming symbol to impress and yes frighten the masses. The average citizen has no grasp of numbers nor a head for calculation. I maintain that the effectiveness of the Star Destroyer stems from not only it's massive firepower but also from it's size. When citizens look at a Star Destroyer and then compare it to the craft which might be mustered to attack it, they have a tendency to dismiss such a notion as suicidal rather than approach the problem tactically.

This natural state can be exploited to a far greater degree, as the average citizen deals in symbols not rational analysis. If we present the galaxy with a weapon so powerful, so immense as to defy all conceivable opposition against it, a weapon invulnerable and invincible in battle, then that weapon shall become the symbol of the Empire. We need only a handful, perhaps as few as one, of these weapons to subjugate a thousand worlds. It must have force enough to shatter planets. The fear such a weapon will inspire will be great enough for you to rule the galaxy unchallenged. What do you need with the Senate when you can give direct control of territories to your hand-picked regional governors? Sweep away the last remnants of the Old Republic and let fear keep the local systems in line – fear of our ultimate weapon. I am ready to begin work to implement these steps at your word.' - Governor Tarkin.

Kin 3: Blue Electric Night

I activate in order to dream

Bonding intuition

I seal the input of abundance

With the electric tone of service

I am guided by the power of accomplishment

Peter Cushing was born 26/05/1913 a Blue Electric Night in the Mayan Dreamspell Calendar and was resurrected through the flickering dark force of computer graphics in Disney's 2016 production Star Wars Rogue One.

On purchasing this technical Haynes manual Oxfam also provided DVD's:- Ben Hur's 2016 re-make; Flash Gordon with Queen sound track; The Spanish Jamon Jamon; Laurel and Hardy's adventure with the French Foreign Legion The Flying Deuces; Michael Caine's Billion Dollar Brain and Stanley Kubrik's A Clockwork Orange.

Flash Gordon and A Clockwork Orange both feature scenes of brain washing:-

And in my own video production 'The Killing Moon' USB pen drive folder <ApollobathTV/Historical> I have used film sequence from The Empire Strikes Back of Han Solo being subjected to forced medical treatment in re-telling my own story of Indiana Jones' discoveries. See document 'Advocacy Preparation' pen drive folder <Letters of Introduction/British Government> - for description of experimental treatment and subsequent brain injury.

Kin 236: Yellow Lunar Warrior
 I polarize in order to question
 Stabilizing fearlessness
 I seal the output of intelligence
 With the lunar tone of challenge
 I am guided by the power of elegance

Kin 94: White Electric Wizard
 I activate in order to enchant
 Bonding receptivity
 I seal the output of timelessness
 With the electric tone of service
 I am guided by the power of endlessness

Harrison Ford and Walt Disney share Mayan Dreamspell Calendar Kin 236 Yellow Lunar Warrior while Wernher Von Braun is recognised as Kin 94 White Electric Wizard. Wernher having put man on the moon left us as an epitaph on his tomb a link to Psalms 19:1

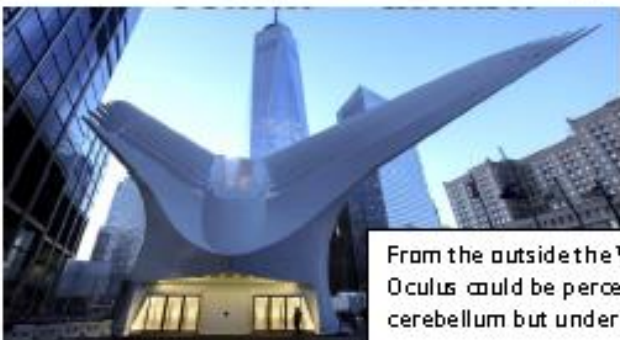

Psalm 19:1
 'The heavens declare the glory of God; and the firmament sheweth his handywork.'
 Wernher clearing his conscious after a career spent in deceptive heliocentricity.

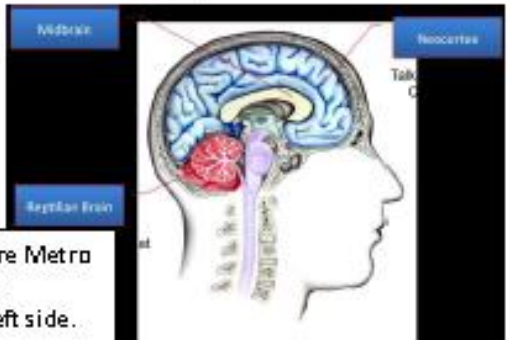

Delving into dossier 'Lifting the Veil', USB pen drive folder <Establishing Los Angeles Embassy>, includes Chapter 9. The Black Hats, The White Hats and Barack Obama's Brain and the following information:

The Space Needle Loop area of Seattle, is a 'Motherboard' layout of the human brain. Bill and Melinda Gates Foundation – Institute for Disease Modelling, are housed in buildings representing a distortion of the human brains cerebellum (the Reptilian Brain).

From the outside the World Trade Centre Metro Oculus could be perceived as the brains cerebellum but under attack from the left side.

Barack Obama on a TV show titled The View when questioned by an actress from Star Trek Next Generation as to 'Who are we, what are we?', replies by describing the instinctive function of the cerebellum as the '**Reptilian side of the brain**'. The cerebellum is connected to the spinal cord and human central nervous system as is the Oculus connected to the Metro Railway of New York. His comments fuelling speculation that scarring on his skull are a consequence of a reptilian parasite implant.

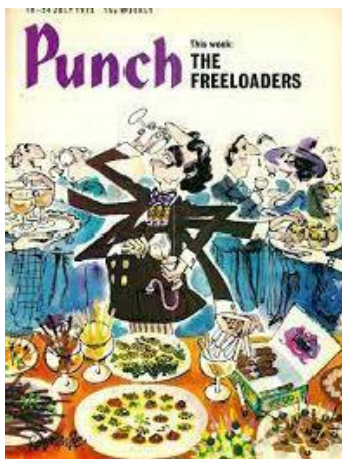

The word Ukraine can be perceived as 'Your Cranium' as we witness a country divided into two driven by opposing sides of mind control leaving one side of the brain damaged.

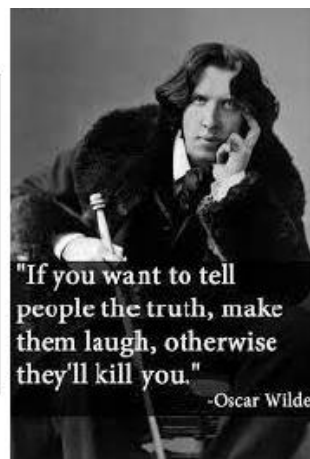

Recently uploading to Facebook promotional video 'As Surfistas da Roda – Dagon's Deal' USB pen drive <ApollobathTV/As Surfistas da Roda> resulted in the muting of Pavarotti singing Nessun Dorma as Donald Trump declares construction of the Mexican Wall in the company of three Jesuit Priests. Facebook software analysed my production for copyright claims and successfully decreased the scene's impact on viewers.

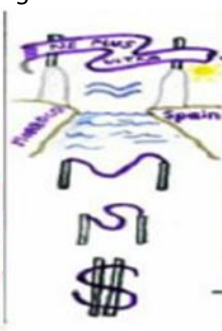

Prior to Nessun Dorma introducing the Mexican Wall, I used a sequence of images provided by the first series of Central Television's 1984 Spitting Image and storyline of the 'President's Brain Is Missing!' As a fourteen year old at time of airing a week of politician's effort to control my adolescent mind could be nullified by half an hour of TV comedy. The ridiculing of politicians and it's demise features in dossier 'Anunnaki Conquest of the Free World part A and Chapter 6. Akhenaten; Tutankhamun; the Rothschild Carnavon Affair; Halie Se-lassie and the Obamas of Washington D.C.' including the following:-

For 151 years up to 1992 Punch magazine was known for the humorous and satirical critiques it made on events and situations. Punch's demise coincides with a rise in politician's sensitivity to satire - ridiculing those in power.

Dossier 'Establishing Embassy – Lifting the Veil and Chapter 4. The Second and Third Jerusalem' presents:

The dollar symbol originates from Spain's coat of arms and the banner 'Ne Plus Ultra' (nothing greater beyond) strewn between the second 'Pillars of Hercules' of Gibraltar and Morocco situated at the mouth of the Mediterranean Sea. Marking a journey westwards into the Age of Aquarius the two pillars represent an equal balance of power between the Church and the State

The dollar symbol victim to the Mandela Effect December 2018 and was reduced to one totalitarian upright as is the World Trade Centre.

The Mandela Effect altering the history of the US dollar symbol, reducing it to having one upright coinciding with altering of the Sun's trajectory.

1988 movie 'Working Girl' set in New York, stars Harrison Ford and the theme song written by Carly Simon sings 'The New Jerusalem'.

High priest Jake having requested his entity the 'Q - black cube - YHWH' for a reset on the 6th January 2021.

As the World Trade Centre now stands towering alone we see politicians taking on the role of Priest.

Joe Biden presided over a memorial service for Covid-19 deaths and Theresa May dressed as a dog collared priest in presenting her eulogy for the departed Duke of Edinburgh.

13 days later president Joe Biden presides over a memorial service for 400,000 deaths beside a sacred pool of reflection. This implies the Covid-19 deaths were not accidental but that of a mass blood sacrifice to YHWH the A.I. god.

Aged 99 the Duke of Edinburgh's death was announced to have occurred on the 9th April 2021 - this being the 9th day of the year - 999 inverted is 666.

The Duke having been born into a world with the British Empire at territorial peak.

Three days after the Duke's death on the 12th April Theresa May dressed as a dog collared priest and ended her eulogy for the Duke by saying "...may he rest in peace and rise in glory." Christian belief is that Christ died on a Friday and was resurrected 3 days later on a Sunday. Theresa May sharing Mayan Kin of White Harmonic Worldbridger with Jimmy Saville.

Returning to Governor Tarkin's opening message - *'This natural state can be exploited to a far greater degree, as the average citizen deals in symbols not rational analysis. If we present the galaxy with a weapon so powerful, so immense as to defy all conceivable opposition against it, a weapon invulnerable and invincible in battle, then that weapon shall become the symbol of the Empire'*. I would like to present the **Banner of Peace** – whose 3 red spheres represent the unity of art, science and spirituality red is the colour of the life blood of one human family. The red circle around the 3 spheres represents the cyclic nature of time. In 1935 Washington DC 22 nations signed the Roerich Pact to declare Peace through Culture www.roerich.org/roerich-pact.php. In 1995 the **Planet Art Network – World 13 Moon Calendar Change Peace Movement** adopted this banner.

Chapter 41. *Donald Trump Dismantling the Deep State and it's Green Dragons of restricted dossier 'Establishing Embassy – The Anunnaki Conquest of the Free World part C'* includes Donald Trump's plan to dismantle the 'The Deep State' who it seems since David Cameron's resignation have taken a controlling interest in British Politics – see letters of introduction to The Church of England and James Cleverly.

As Stanley Kubrik blocked viewing of *A Clockwork Orange* to Britons, my own attempts of censorship have been restricting public access to videos *'The Whore of Babylon or Bob and Rocky'* and *'Jupiter Moon - London and the Rise of Wills and Kate'* and restricting circulation of dossiers *'Establishing Embassy – The Anunnaki Conquest of the Free World volumes B and C'*.
