April 2024

Dear Councillors Phil Pearce and Karl Brockett

Ref: Establishing Embassy to Significant Religious Object

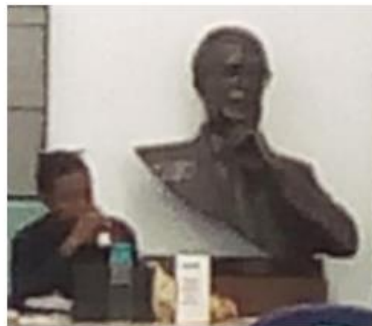

This sixth correspondence intended for the Mayor of Huntingdon being shared with:-

- Huntingdon Vicar Jon Randall
- Vice-Chancellor of the University of Leeds Professor Hai-Sui Yu
- Newquay Job Centre Work Coach Jenny

Of which printed letter copies are enclosed together with a letter posted to you in January of this year intended for Foreign Secretary Lord Cameron.

I wish to inform that I am currently in Huntingdon on route to Yorkshire with intent to hike to the summit of Peak Great Wherneside, scouting a proposed promotional video of gameshow variant '**Time Tunnel – Stargate Pandora**' featuring Chewbacca burying deceased Huntingdon friend of Yorkshire origin surname Phillip Wigglesworth's computer at the mountain top.

Currently under inquisition as to receipt of Universal Credit in first correspondence to my Jobcentre Work Coach Jenny I declare that I am seeking contract with the Ministry of Defence to manufacture gameshow props. I am writing this letter to you here in Huntingdon Library, where I have previously displayed board game variant to Time Tunnel gameshow franchise under the watchful gaze of John Major's bust statue. Having sourced in Newquay the technical skills required to bring proposed gameshow to life I would now like to make presentation in person to you at your earliest convenience of the Time Tunnel board game variant, hoping that you take an interest and are willing to assist.

Kind regards

Graeme Parker
