November 2023

Dear Steve Rotheram

Ref: Establishing Embassy to Significant Religious Object

This first correspondence to the Mayor of Liverpool being shared with:-

- The Masonic Lodges of Johannesburg and Ilha Santa Catarina Brazil
- The Iranian Embassy of London
- The Jamaican Embassy of London
- The Chinese Embassy of Edinburgh
- The Scottish National Party
- Pushkin House London
- British Consulate-General São Paulo
- Cambridge University Vice Chancellors Office
- British Antarctic Survey, Cambridge
- MP for Huntingdon Jonathon Djanogly
- The Mayor of Huntingdon
- Cambridgeshire Chief Constable Rebecca Tipping

Introductory letters available on enclosed CD Rom folder <Letters of Introduction October 2023>.

I am opening correspondence with the Lord Mayor's office of Liverpool believing they have close ties to the **St. George's Masonic Lodge of Harmony No. 32** as I seek response from previous correspondence sent to the Masonic Lodges of Johannesburg and Ilha Santa Catarina Brazil.

As a summary to my affairs I recommend studying my Curriculum Vitae and previous letters of introduction to Cambridge University; my hometown Huntingdon MP Jonathon Djangoloy and the Scottish National Party - see CD Rom folder <Letters of Introduction>.

CD Rom folder <Establishing Los Angeles Embassy> provides restricted dossier '**Anunnaki Conquest of the Free World part C**' and request your review of chapter '**38. The Second City of Babylon and Meghan's Barbecue of the Vanities**'.

Four of my promotional videos feature music provided from Liverpoolians, available on CD Rom folder <ApollobathTV> are:- <Oculus Dei> '**The Fall of Man and Return of our Jedi - parts 1 & 2**' – John Lennon; <Factual and Archaeological> '**The Killing Moon**' – Echo and the Bunnymen and '**Incan Time Lore of the Mandela Effect and Pleadian Intervention Part 3**' – Frankie Goes to Hollywood.

Hoping that your office could become a point of contact.

Kind regards

Graeme Parker
