Introductory letters available on enclosed CD Rom folder <Letters of Introduction October 2023>.

As a summary to my affairs I recommend studying my Curriculum Vitae and previous letters of introduction to Cambridge University; the Scottish National Party; Station Commander of RAF Molesworth and my first letter to you dated 21st June 2019 with which I gifted your office book *'The Mayan Prophecies'* and invitation to proposed gameshow *'Time Tunnel – Atari Alliance'* see CD Rom folder <Letters of Introduction/British Government >.

Since your first letter of introduction I remained in Huntingdon and spent much time in Huntingdon Library, until this time last year relocating to Newquay Cornwall and returning to my preferred activity of Surfing. Presentation has advanced and a set of four dossiers under collective heading *'Establishing Embassy to Significant Religious Object'* are provided on CD Rom folder <Establishing Los Angeles Embassy> together with a portfolio of promotional videos - CD Rom folder <ApollobathTV>. Dossiers *'Anunnaki Conquest B & C'* due to their content are unavailable for access from website www.apollobath.org link 'Crown Office and Embassy'.

In CD Rom folder <Letters of Introduction/British Government> can be found introductions intended for Sir Richard Branson and David Cameron. The former PM featuring in dossier *'Anunnaki Conquest B'* and Sir Branson features in dossiers *'Camaialot A & B'*.

Second letter to the Masonic Lodge of Ilha Santa Catarina raises the issue of presentation to CELAC (Community of Latin American and Caribbean States) whose headquarters are in Caracas. Wishing to return to Venezuela via Lanzarote this coming winter I invite your review of dossier *'Camaialot A Chapter 10. Banco Atlantida and the Panama Canal'* and am requesting the Conservative Party for introduction to both David Cameron and Richard Branson prior to my departing the UK (David Cameron and John Major both having residences in Lanzarote).

In CD Rom folder <Letters of Introduction/British Government/Cambridgeshire Mental Health> can be found request for my diagnosis of 2012 (following deportation from Brazil and my seeking psychiatric evaluation) changed from *'Schizotypal Personality Disorder with Delusional Belief System'* to that of a *'Post-Traumatic Stress Disorder'* as I pursue/negotiate prosecution of three Brazilian citizens - see presentation to the British Consulate-General São Paulo.

Kind regards

Graeme Parker
