Dear Staff of Newquay Library

**Ref: Setting up a charity**

I wish to invite any willing staff of Newquay library to review a body of artwork presented at [www.apollobath.org](http://www.apollobath.org) these productions a consequence of use of a gold HSBC credit card in 2005 to initiate a studios project in the town of Lagoa da Conceicao, Ilha Santa Catarina southern Brazil, this project in support of an archaeological expedition that proved successful.

Seeking to establish the 'Los Angeles Embassy to Significant Religious Object' a series of dossiers and supporting supplements have been collated and are available for viewing via website link 'Crown Office and Embassy'. A description of archaeological discoveries is provided in dossier *Grail Technologies*. Two dossiers titled *Part 4 the Anunnaki Conquest vols B & C* have been put on restricted circulation and are available for your review at [www.apollobath.org/restricted](http://www.apollobath.org/restricted).

I suggest commencing review of most recent publications *Battlestar Galactica and the Anti-Rockefeller Agenda* (link Crown Office and Embassy) and *Cleopatra's Baseball Star* (homepage link Media Productions) a consequence of my taking up the sport of baseball with the Truro Blue Jays last summer.

Wishing to return to Brazil with an expedition party consisting of soldiers of the British Army I have made request for this to my hometown Huntingdon MP Ben Obese-Jecty and most recent letter *Huntingdon MP Ben Obese-Jecty 3* is provided at [www.apollobath.org/Letters of Introduction/British Government](http://www.apollobath.org/Letters of Introduction/British Government).

Homepage link 'Oculus Dei – Ark Crown Governing Counsel and Charity' provides eight proposed founding fathers and mothers, British representatives being J K Rowling and Andrew Lloyd Webber. I have recently made request to the Scottish National Party for introduction to Neil Oliver [www.apollobath.org/Letters of Introduction/Scottish National Party](http://www.apollobath.org/Letters of Introduction/Scottish National Party) and letter *SNP 7*.

Government website <https://www.gov.uk/setting-up-charity> states 3 trustees are usually needed and am thinking that perhaps the Mayor of Newquay could provide assistance in finding suitable willing trustees.

My principal media project is a gameshow franchise titled 'Time Tunnel' and features in dossier *Establishing Embassy Camaialot A*, pictured below is the boardgame variant on display in my hometown Huntingdon Library and wish to request commencing its presentation in Newquay Library during February 2025.

Kind regards

Graeme Parker
