Dear Drew Creek,

Having witnessed your support last summer of the Boardmasters Surfing Championships acting as Newquay Town Mayor during the winner's presentation at Fistral Beach, I wish to introduce you to an alternate surf competition format presenting the **Sword in the Stone** as a champion's trophy. Titled *As Surfistas da Roda* in Portuguese or *Surfers of the Wheel* in English, the objective being to raise spectator interest through sweepstake betting of competitors identified via their birthdate playing card (cardology) and invite your review of presentation enclosed or website www.apollobath.org – link – *Media Productions* – link - *Sword in the Stone a Sporting Champions Trophy*.

Sword in the Stone believed to be a decorative half cross and one of three items moulded in granite six hundred years ago on a cave floor, located at a mountain top central to Ilha de Santa Catarina Brazil – Tir Na Nog Celtic Land of Forever Young. Cave also storing a guide to retrieve the Cauldron of Dagda (Holy Grail). Presenting belief the returning brave hearted tour party buried the nuclear fusion combustion cauldron on Mount Whernside in the Yorkshire Dales.

Since 2019 I have been making delivery of artworks to (among others) the Scottish National Party and my hometown of Huntingdon MP and the town Mayor, covering letters of which can be found at website www.apollobath.org - link - *Crown Office and Embassy* - link – *Letters of Introduction*.

Since the Covid-19 lockdown of 2020 much time has been put into producing a series of promotional videos available at YouTube channel *Apollo Bath TV*. Together with compilation of dossiers presented under collective heading *Establishing the Los Angeles Embassy to Significant Religious Object(s) and Caravan of Treasures* divided into the four parts:-

- Lifting the Veil
- Grail Technologies
- Camaialot
- Anunnaki Conquest of the Free World

While housed by Huntingdon District Council in the Dolphin Hotel St. Ives Cambridgeshire during lockdown of March 2020, resulted in production of promotional Rock Opera video *Ice Maidens of Atlantis – Birth of Venus and the A.I. Virus*, introducing discovery of **Lightsabre Excalibur** and presenting Britney Spears as Lady of the Lake.

Covid-19 features in dossier *The Anunnaki Conquest of the Free World vol A Chapter 3. The Fall of Man's Consciousness, Covid-19 Impregnated Hearing Aids, Graphene Oxide Inoculation & Social Distancing's Killer Drones*, available for viewing at www.apollobath.org – link – *Crown Office and Embassy*.

Inviting your review of material intended to establish the Los Angeles Embassy to Significant Religious Object also provided on enclosed USB pen drive. I suggest commencing with summary *Stargate Phoenix & Artistry of Divine Rule Management* and the two most recent dossier supplements *Battlestar Galactica & the Anti-Rockefeller Agenda* and the restricted *Jupiter Moon & Dismantling the Deep State* – available at www.apollobath.org/restricted.

It was consequence of the 1998 death of my maternal grandfather Lionel Dollery, whose working life served the British Army Royal Engineers regiment that I sought to further my own engineering career in Brazil – CV enclosed. My childhood knew him as a Lieutenant Colonel and in his retirement a Conservative Town Councillor and Mayor of his hometown Gillingham Kent. Letters to my hometown MP Ben Obese-Jecty have culminated with an introduction to the current Secretary of Defence - Yorkshireman John Healey.

Seeking to come off Universal Credit through gaining an engineering contract with the Ministry of Defence that encompasses the manufacture of Gameshow Props, I wish to invite your review of principal media project – **gameshow franchise The Time Tunnel** - and have made request to Newquay Library to permit presentation of its board game variant seen here on display in Huntingdon Library under the watchful gaze of John Major.

Residing in a small motorhome parked in front of Celtic & Co on the Treloggan Industrial Estate I intend to share this first letter to the Newquay Town Mayor with my neighbours ABS Engineering, Splinters Carpentry and GSD Welding inviting their skills to convert Time Tunnel board game variant into a TV gameshow prop.

Presentation to the MOD includes *Launching Banco Atlantida* www.apollobath.org/restricted, one asset being a Range Rover recently purchased from ABS Engineering and I'm proposing a sponsorship deal with Jaguar Land Rover.

Desiring to qualify for a private pilot's license I have made enquiry to Flynqy Pilot Training at Newquay airport and invite your review of dossier *Camaialot A - chapter 9. Return of the Jedi's Flying Boats* and also dossier *Grail Technologies - chapter 10. Iguacu Falls, a Terraforming Dome and the Grail Squadron*. I believe the United States Air Force has looked to Surf Scene as a source for pilot recruitment and offering the prize of pilot training to surfers motivated to compete in *As Surfistas da Roda* opens opportunity to those from under privileged background.

Last summer I enjoyed taking up the sport of Baseball with the Truro Blue Jays, intention being to develop storyline of a cursed/ blessed Venezuelan Baseball Star whose bat catches fire on hitting a home run and invite your review of PDF 'Cleopatra's Baseball Star' available via www.apollobath.org – link – *Media Productions* – link – *Cleopatra's Baseball Star*. Threading storyline through Time Tunnel gameshow variants: **Stargate Narnia; Stargate Pandora; Stargate Athena and Stargate Phoenix The Atari Alliance**.

Hoping you have the time and inclination to review material presented, please find enclosed a USB pen drive containing all artworks and their introduction. Maybe you would like to meet me in Newquay Library for presentation of Time Tunnel Boardgame.

Yours truly,

Graeme Parker
