His Excellency Mr Ma Qiang,

I wish to introduce the government of China to four documents titled '*Establishing Embassy to Significant Religious Object(s) Ark of the Covenant, Holy Grail and Caravan of Treasures*', provided on enclosed CD and available for download at website www.apollobath.org – link – '*Crown Office and Embassy*'

In 2005 a HSBC gold credit card was used to initiate a studios project supporting an archaeological expedition of the central region of Ilha Santa Catarina, Brazil. Expedition success has resulted in a large quantity of artistic material which can be viewed in a condensed presentation titled '*Phoenix Stargate and the Artistry of Divine Rule*' also provided on enclosed CD and available for download from afore mentioned website link.

To support this introduction I am sharing with you previous introductory letters to HRH Prince Charles; former Prime Ministers John Major and David Cameron and my current local MP Jonathon Djangoly together with artistic material and introductory letters for the Iranian Embassy of London; the Russian Cultural Centre Pushkin House; London office to the Brazilian Aeronautical Commission in Europe and the Scottish National Party in Edinburgh.

Three years ago I composed a letter to Queen Elizabeth II that commenced with the following statement:-

Her Majesty Queen Elizabeth II

The Chinaman Mao Tse-Tung via the motion picture '*A Fistful of Dynamite*' informed me his belief:-

'The Revolution is not a social dinner, a literary event, a drawing or an embroidery; it cannot be done with elegance and courtesy. The Revolution is an act of violence.'

Following an act of violence inflicted by a Jewish Doctor employed by a Roman Catholic Mission, I believe a revolution could be scientific, industrial and culturally awakening via a televised Gameshow, Sporting Championship and Music Video Series.

Introducing storage location for the '*Awakening of the Ark of the Covenant and its Caravan of Treasures*', raises a security issue for neighbouring inhabitants. Addressing this concern resulted in that act of violence following my abduction by dishonest Brazilian Federal Police, but also provided subsequent devising of Gameshow '*Time Tunnel – Atari Alliance*', during recuperation in Favela after having had my body sold to Rome for medical experimentation....

Introduction to Iranian Government highlights restricted video production '*The Whore of Babylon or Bob and Rocky*' and restricted document '*Establishing Embassy – The Anunnaki Conquest of the Free World (B)*'. Chapter 16 of this document and associated video features President Xi Jinping's 2015

state visit to the UK and Theresa May promoting an incoming 'Golden Age' of Anglo-Chinese relations.

Assisting synchronization of 'Ark Crown' to the modern world's economy is proposed banking scheme 'Banco Atlantida' see www.apollobath.org link 'BANCO ATLANTIDA'.

In 2005 The Hong Kong and Shanghai Banking Corporation provided me with funds of approximately £5,500 to initiate a studio project to support an archaeological expedition of Ilha Santa Catarina, Brazil. As yet I have been unable to repay this debt so am now requesting the government of China to consider taking a stake in Banco Atlantida and wish to draw your attention to Chapter 3 of '*Establishing Embassy – Camaialot*' and the proposed business partnering stated.

Banco Atlantida

At the heart of this motif representing Banco Atlantida sits the Banner of Peace, as adopted by the Planet Art Network's promoting philosophy of '*Where there is Peace there is Culture and where there is Culture there is Peace*' for the '*World Thirteen Moon Calendar Change Peace Movement*'.

The distinctive banner consists of three red circles surrounded by a larger red circle on a white banner. The banner is a deep red or magenta colour to symbolize the colour of our one blood, which is the same for all peoples. The top circle represents spirituality and encompasses the truth of all religions, that we can all unite regardless of our distinct beliefs. The two circles on the bottom represent art and science. The circle that surrounds the three spheres represents culture, the unity of art, science, and spirituality.

From my enclosed CV you will learn that I am a former student of the Napier University, Edinburgh. Coinciding with presentation to the Scottish National Party and desire to make presentation to Rosslyn Chapel and the Sinclair family, I am seeking to open correspondence with his excellency Mr Ma Qiang who may wish to meet me in person in Edinburgh or referral to a colleague of his in London.

My introductory letter to Queen Elizabeth II concludes with a request that her majesty consider investing in the use of 'Grail Rock' for evolving the DNA of thoroughbred racehorses. This introduction to the Chinese government concludes with a request of presenting Jackie Chan to proposed gameshow '*Time Tunnel – Atari Alliance*' and he consider assist establishing the 'Los Angeles Embassy to the Ark of the Covenant and Caravan of Treasures'.

Mr Chan's Time Tunnel invitation can be found at link -

Kind regards

Graeme Parker
