Dear Sirs

Ref: Establishing Los Angeles Embassy to Significant Religious Object(s), BANCO ATLANTIDA and Atholl Highlanders

As sixth presentation to the SNP and fourth introduction to the Chinese Consul General, previous letters available on USB pen drive folder <Letters of Introduction>, I invite your review of letters intended for the following provided in folder <Letters of Introduction June 2024>:-

- The Church of England (SNP only)
- Donald Trump and Mayor of New York
- Foreign Secretary Lord David Cameron
- Home Secretary James Cleverly
- Huntingdon MP Jonathon Djangoly and former PM John Major
- Cambridgeshire Police Chief Constable Nick Dean
- Huntingdon Mayor's Office
- The Cromwell Museum
- Leeds University Vice Chancellor Professor Hai-Sui Yu
- Newquay Jobcentre Work Coach Jenny
- Brazilian Aeronautical Commission in Europe BACE

Correspondence intended for the Foreign and Home Secretaries and Newquay Jobcentre raise issue of an engineering contract with the Ministry of Defence and provided with this letter for your perusal is document ***Launching Banco Atlantida***.

Promotional video introducing the **Sword in the Stone** titled ***As Surfistas da Roda – Dagon's Deal*** USB pen drive folder <ApollobathTV/As Surfistas da Roda> features Donald Trump and issue of raising an army as does dossier ***Establishing Embassy – Camaialot A*** and ***Chapter 1. Three Stars United and Four Dragons*** folder <Establishing Los Angeles Embassy>. According to Google the only remaining private army in Europe are the Atholl Highlanders who act as personal body guard to the Duke of Atholl Chief of Clan Murray. Donald Trump having a Scots grandmother could be persuaded to take an interest in this regiment's expansion, alleviating bureaucracy associated to soldiers being a part of proposed expedition party - see previous letter to ***Huntingdon Mayor 6*** folder <Letters of Introduction/British Government> referring to my late maternal grandfather's British Army Royal Engineers Regiment.

Kind regards

Graeme Parker
