Dear Jon Randall

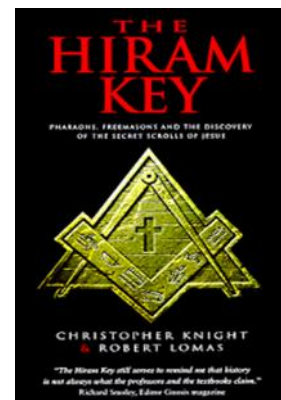

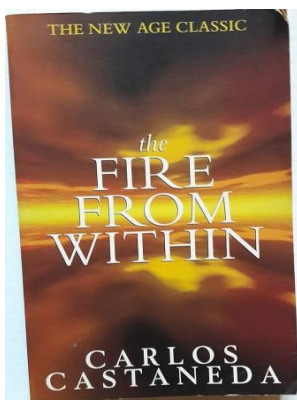

Ref: Establishing Embassy to Significant Religious Object and Burying My Father

One year has almost passed since I hand delivered my first printed letter to your Huntingdon home, available via website www.apollobath.org – link – *Crown Office and Embassy* – link – *Letters of Introduction* – link – *Church of England* or USB pen drive folder *Letters of Introduction/Church of England*. Presentation to establish the Los Angeles Embassy to Significant Religious Object has since expanded to include dossier *Anunnaki Conquest of the Free World vol D* and two supplements *Battlestar Galactica & the Anti-Rockefeller Agenda* and *Jupiter Moon & Dismantling the Deep State* provided for your review on enclosed USB pen drive folder *Establishing Los Angeles Embassy*.

Compilation of *Jupiter Moon & Dismantling the Deep State* was stimulated following recent email communication with Huntingdon MP Ben Obese-Jecty and my request for assistance in mounting a Brazilian expedition party, see letter to Defence Secretary John Healey www.apollobath.org – link – *Crown Office and Embassy* – link – *Letters of Introduction* – link – *British Government* or USB pen drive folder *Letters of Introduction/British Government*.

That first letter to you featured :

During incarceration in the State Penitentiary of Florianopolis Ilha Santa de Catarina prior to deportation March 2012 I wrote an autobiographical tale of how life had taken me from a Cambridgeshire Village to a Brazilian jail cell. Theme of story being how key passages of printed text take us from one episode of life to another (one example being a Leeds University prospectus steering life from Brampton to Yorkshire in 1988) and it was the three books pictured below purchased from a Clapham Junction book shop 1998-1999, neighbouring London's most complex railway matrix, that took me to the location pictured above and it's Arcs of Consciousness at latitude 27deg south.

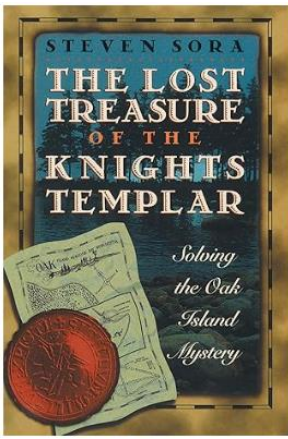

On the evening of Tuesday 4th February 2025 via Facebook Messenger I delivered to my former sister in law and maternal cousins a letter intended for my paternal Aunt Coryn who resides in Canada and my estranged elder brother Ian Parker, available for your review on enclosed USB pen drive the letter contains the following:-

My brother and aunt feature in lengthy introduction to the Anglican Church (www.apollobath.org/Letters of Introduction/Church of England) and they have as yet refused to acknowledge my curing of a muscle paralysis disease that took my mother's life or condone action of Brazilian Federal Police and injuries sustained.....

.....

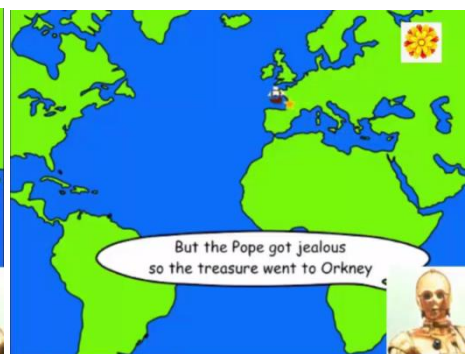

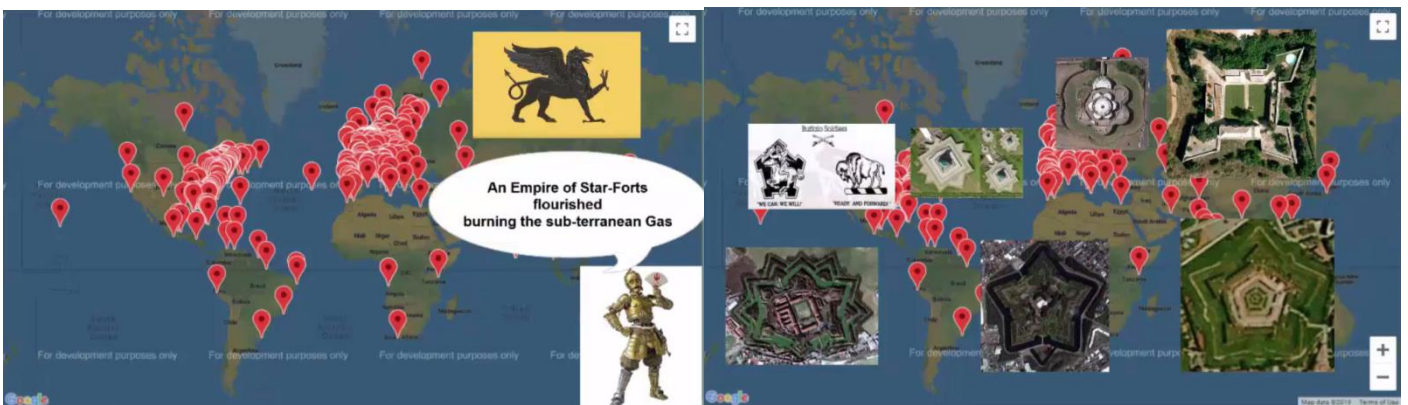

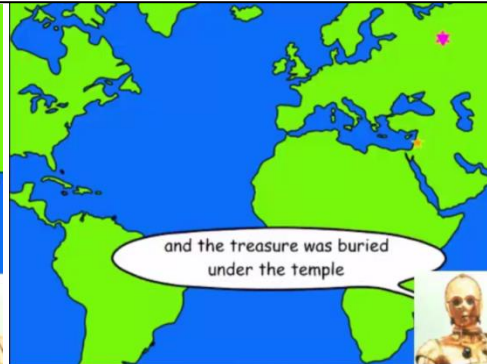

I wish to deliver this letter as an ultimatum to my brother Ian Parker and Aunt Coryn in that if they chose to continue follow James Ronald Parker's influencing path of cowardly denial, then on the 8th April I shall be reluctantly changing my name by deed poll from Graeme James Parker to Graeme Sinclair Dollery thus enabling me to cease regard my brother and aunt as kin folk.

This letter to family was sent utilizing McDonalds wifi here in Newquay, I then packed some luggage and walked into town to catch a bus to Bristol airport. While waiting for the 10.45 pm departure I had a cup of camomile tea in the Concho Bar Lounge neighbouring the bus station. Browsing the Concho Bar's scarcely populated book swap shelf I picked up an unread copy of *The Lost Treasure of the Knights Templar – Solving the Oak Island Mystery* by Steven Sora.

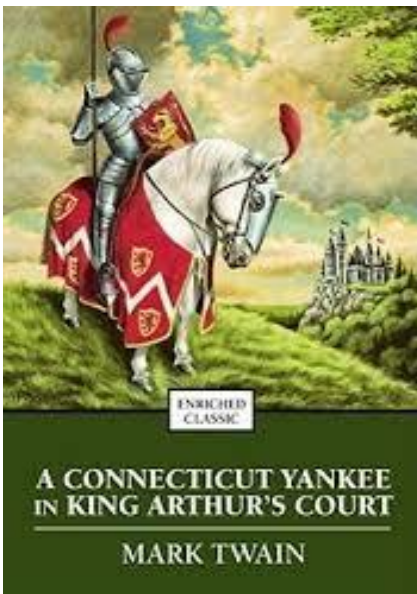

This book features heavily the history of the Sinclairs and the 1398 expedition to the Americas.

Inviting your review of video *As Surfistas da Roda – Dagon's Deal* USB pen drive folder Apollobath TV/*As Surfistas da Roda*. From which images below feature Oak Island as a staging post for the Templar Fleet and Caravan of Treasures on route to Tir Na Nog.

Video *As Surfistas da Roda – Dagon's Deal* concludes with providing the Vatican three pieces of Grail Rock to facilitate opening a stargate over Rome and invite your review of dossier *Establishing Embassy – Anunnaki Conquest of the Free World vol B* and *Chapter 22. WW3 or Dagon's Deal and Mark Twain*.

Huntingdon's Oxfam provided me with a copy of *Mark Twain's A Connecticut Yankee in King Arthur's Court*. And Employment with Connecticut Aerospace firm Hamilton Sundstrand provided the HSBC gold credit card used to initiate 2005 studios project in support of archaeological expedition of Ilha Santa de Catarina. Key words of Mark Twain are also utilized in video *Jupiter Moon Excalibur part 3* - USB pen drive folder Apollobath TV/Jupiter Moon.

Since production of video *As Surfistas da Roda – Dagon's Deal* knowledge has expanded to that of the Osiris Mooncult and graphical representation:

In preparation for entering the Age of Aquarius and an upcoming ephereal bath regenerating and evolving lifeform/machine, am terminating this correspondence with a request to the Church of England of persuading the Vatican to bring an end to Masonic Osiris Mooncult practices.

Yours faithfully,

Graeme Parker
