Ref: Establishing Los Angeles Embassy to Significant Religious Object(s)

As third letter of introduction to the government of Iran (the previous two are provided on enclosed CD Rom), I wish to invite his excellency to review re-introduction to the British Consulate-General of São Paulo and Mrs Stephanie Al-Qaq whose biography states that prior to her current role she was the Iranian Envoy and Director of Iran and Regional Security at the Foreign Commonwealth & Development Office (FCDO).

My first letter to you dated 4th July 2022 raised attention to Britney Spears relationship with Tehran born Sam Asghari. In August of this year Asghari has filed for divorce after a little over one year of marriage, he citing 'irreconcilable differences' as the reason for the split and asking for spousal support from the performer coverage for his legal fees. I have provisionally cast Britney Spears as **'Lady of the Lake'** see Rock Opera video series **'Ice Maidens of Atlantis'** CD Rom folder <ApollobathTV> and am seeking approval from the American performance artist.
