Letters to the above parties provided on CD Rom.

My first letter to the government of Jamaica dated 4th July 2022 (available on CD Rom) introduced a four part dossier under the collective heading ***'Establishing Embassy to Significant Religious Object(s) Ark of the Covenant, Holy Grail and Caravan of Treasures'***. The four parts individually titled: ***'Lifting the Veil'***; ***'Anunnaki Conquest of the Free World'***; ***'Grail Technologies'***; ***'Camaialot'***. Presentation has progressed to include dossier parts ***'Camaialot A & B'*** and ***'Anunnaki Conquest of the Free World parts A, B & C'*** and are provided on enclosed CD or available for download at website www.apollobath.org – link – ***'Crown Office and Embassy'***. Due to the content parts B & C of Anunnaki Conquest of the Free World are unavailable for downloading but are provided for your review on enclosed CD Rom.

My first letter to His Excellency introduced safe haven banking venture 'Banco Atlantida' and proposed entering of business with Transbit Telecom of Venezuela who connect Cuba, Jamaica and Venezuela via a sub-sea silicon fibre cable. Inviting your review of Anunnaki Conquest part C and Chapter 31 - expressing belief that Boris Johnson has a store of gold bullion in the Caribbean (suspicion falling on the private Island of Mustique). Wishing to prevent a well planned mass sacrifice of human souls perhaps your office could do some research into Mr Johnson's Caribbean affairs in hope that his suspected bullion wealth be used for a greater good and become an asset to Banco Atlantida.

Kind regards

Graeme Parker
