Brazilian Aeronautical Commission in Europe
16 Great James Street
London WC1N 3DP

June 2024

Secretary to the head of BACE

Ref: Establishing Los Angeles Embassy to Significant Religious Object

As second presentation to the Brazil Aeronautical Commission in Europe (the first of June 2022 can be found on enclosed USB pen drive folder <Letters of Introduction/Masonic Lodges and Armed Forces>) I am providing you with latest introductions intended for the following <Letters of Introduction June 2024>:-

- Mr Donald Trump and Mayor of New York City
- The Scottish National Party and Chinese Consul of Edinburgh
- Foreign Secretary Lord David Cameron
- Home Secretary James Cleverly
- Huntingdon MP Jonathon Djangoly and former PM John Major
- Cambridgeshire Police Chief Constable Nick Dean
- Huntingdon Mayors Office
- Leeds University Vice-Chancellor Professor Hai-Sui
- Newquay Jobcentre Work Coach
- Cromwell Museum Huntingdon

Together with updated four part dossier series ***'Establishing Embassy to Significant Religious Object(s) Ark of the Covenant, Holy Grail and Caravan of Treasures'*** expanded since previous presentation:-

- **Lifting the Veil**
- **Grail Technologies**
- **Camaialot volumes A & B**
- **The Anunnaki Conquest of the Free World volumes A,B & C**

Dossiers provided on USB pen drive folder <Establishing Los Angeles Embassy> or available for download from website www.apollobath.org – link – *'Crown Office and Embassy'*. Due to content dossier volumes *'The Anunnaki Conquest of the Free World volumes B & C'* are unavailable for download from the public domain.

I wish to raise your particular attention to letters intended for The Scottish National Party, Chinese Consul of Edinburgh, Foreign Secretary Lord David Cameron and Home Secretary James Cleverly as they refer to a proposed engineering contract with the British Ministry of Defence. Previous letters to my hometown Mayor of Huntingdon request assistance in the raising of a Brazilian expedition party to include soldiers of the Royal Engineers Regiment.

I hope that BACE take a positive interest in discoveries made and their presentation.

Kind regards

Graeme Parker
