On enclosed CD Rom folder <For Personal Friends> can be found a letter intended for the surfer Marco Polo in which the name Carlos Lima features.

Letter intended for my hometown Huntingdon Town Mayor **Ref: Establishing Embassy to Significant Religious Object – Brazilian Expedition Party** requests introduction to the British Army Royal Engineers Regiment and introduces my initial endeavour on coming to Brazil in 1999 – that of communicating engineering projects via the internet. Years 2001 – 2003 I employed the services of Sao Paulo programmer Ulrich Peters and wish to raise the issue of secure communication of engineering projects proposing a joint venture between the Brazilian and British Armed Forces.

Having been invited to return to Venezuela I hope to make presentation to CELAC in Caracas. The Mira Flores Palace featuring in dossier '*Establishing Embassy to Significant Religious Object – Camaialot B – Chapter 4 Stargates of the World United*' and Venezuela featuring in dossier '*Establishing Embassy to SRO – Anunnaki Conquest B – Chapter 24 Venezuela and the Two Popes*' also video productions '*The Killing Moon*' CD Rom <ApollobathTV/Historical> and '*Jupiter Moon – Excalibur – part 3*' CD Rom <ApollobathTV/Jupiter Moon>.
