I first visited South Africa for 2 months in 2004 as a travelling surfer marketing engineering product data management software, my curriculum is provided on CD Rom. Having travelled from Brazil I was greeted at Johannesburg airport by my father's cousin's wife Petra Findlay and spent time with family at their home close to Johannesburg Zoo, their son James put me on a bus to Durban where I continued to surf train in The Bluff.

Spectator to the July Mr Price surf open I watched fellow surfer from Ilha Santa Catarina, Marco Polo compete in your warm sharky waters. The competition was won by Hawaiian Andy Irons who regularly rode boards designed by his fellow Hawaiian Eric Arakawa, Andy Irons went on to win his third world title in 2004 – this being his last.

I arrived in South Africa with two surfboards designed by the Brazilian Vanderlei Afonso (deceased) and one matching that of Andy Irons board designed by Eric Arakawa, which I had purchased in Chile and painted in Brazil. On returning to Brazil September 2004 I left this board in the garage of the Findlay family (it needed a fin repair) having then plans to return to South Africa from where to launch surf trips to Indonesia.

I returned to Brazil having traded one of Vanderlei's boards for a cricket bat which I gifted Mr Afonso to provide means of security to his artisanal factory. Vanderlei was an industrious individual who named his brand 'Weatherley', although uneducated in English he came up with this word referring to his products being able to 'Weather the Storm'. Vanderlei died in a tragic surf accident witnessed by his young son at Campeche beach very close to the Masonic Lodge of Ilha Santa Catarina and has gone on to provide me screenwriting material common to that of James Cameron.

Ilha Santa Catarina has many names some of them are Ilha da Fugidos; Ilha da Bruxaria; Ilha da Magia and I believe it is also known as Tir Na-Nog the Celtic Land of the Forever Young. Dossier **'Camaialot A - Chapter 16 Fisher Kings and Matthew, Mark, Luke and John'** provides the story of an injury I sustained one month after returning from South Africa that very much redirected life's path.

Provided on enclosed CD is artwork *An Alpha Spider or an All England Club and a New Queen of Scotland* which expands on information provided in *Camaialot*, this material provided exclusively for the Masonic Lodge of Johannesburg as it names British individuals who may wish to be disassociated from discoveries.

In introductory letter to your masonic associates in Brazil I am recommending introduction to South African born **Elon Musk and DeBeers Ventures** and would very much like to return to South Africa and secure business trust there, preferably accompanied by my elder brother Ian Parker.

I am speculating that my father's cousin Dr Jimmy Findlay (Entomologist) and his military son Iain are involved with South African Freemasonry and wish to draw attention to dossier *Camaialot B Chapter 1 Galactic Alignment and the Age of Michael* detailing the passage in time away from the age of Gabriel ruled through deceit.

The final appendices of dossier *Anunnaki Conquest C* detail incidents occurred as I attempted to raise the issue of Brazilian laws of national security. One week after being experimented upon by a young Jewish Doctor employed by a Catholic Mission, occurred the sudden death of Andy Irons aged **32** in a Dallas hotel room on the way home to his pregnant Hawaiian wife 2nd November 2010.

Medical experimentation features in video *The Killing Moon* and I carry the burden of remembering my first return to Joaquina Beach as a fugitive in 2011, the words of a young surf pro sponsored by a beachside restaurant telling me "Andy Irons didn't die".

Nine months after the Hawaiian's departure occurred the death of Jewish descendant Amy Winehouse aged **27**, two years later occurred the death of Brazilian lead singer 'Chorao' aged **42** and Christmas Day 2016 saw the death of George Michael aged **53** who's regular number one hit 'Last Christmas' never went away. Two days later on the **27th** December saw the death of Carrie Fisher aged **60**, the following day was the death of Princess Leia's mother Debbie Reynolds aged **84**. All these deaths of intelligent individuals in control of their lives and actions were (apart from Debbie Reynolds) reported as drug related.

Numerology: The numbers 14 and 42

"So all the generations from Abraham to David are fourteen generations; and from David until the carrying away into Babylon fourteen generations; and from the carrying away into Babylon unto Christ are fourteen generations."

This scripture, Matthew 1:17 appears to want to highlight the number 14. Three cycles of 14 = 42, which this scripture also appears to want to highlight. Jesus Christ is 42 Generations from Abraham.

Brazilian Chorao was a singer-songwriter, skateboarder, filmmaker, screenwriter and businessman. Following his death the then mayor of Santos Paulo Alexandre Barbosa announced a three-day period of mourning and Governor of São Paulo Geraldo Alckmin stated he would name a skatepark in the North Zone of the city of São Paulo after Chorão. Two high profile politicians riding the back of a **42** year old from the ghetto dying from drugs, raises suspicion that foul play may have played a hand in the death of a popular and clever community leader.

Enclosed CD folder 'ApollobathTV – Ice Maidens of Atlantis' provides video 'Winehouse Triangle' and YouTube video https://www.youtube.com/watch?v=H_clbS6x-BI&t=17s enlightens as to significance of the number **27**.

Dossier *Anunnaki Conquest B Chapter 19 Death of the Last Emperor* timestamps the Mandela Effect shrinking Princess Leia and is providing storyline as to the return of Cleopatra, as does Chapter 39 of dossier *Anunnaki Conquest C*. My father features in video *Ice Maidens of Atlantis - Cleopatra and the Oriongate Affair* and I am requesting assistance from the Masonic Lodge's of Johannesburg and Ilha Santa Catarina to establish '**The Cleopatra Suite**' in reformed Playboy Mansion of Beverly Hills - facilitating promotion of the 13 Moon Calendar of Peace.

This summer here in England, returning to life in a small motorhome, I intend to visit Yorkshire and Scotland and am best contacted at the email address below.
