

Her Majesty Queen Elizabeth II

The Chinaman Mao Tse-Tung via the motion picture *'A Fistful of Dynamite'* informed me his belief :-

'The Revolution is not a social dinner, a literary event, a drawing or an embroidery; it cannot be done with elegance and courtesy. The Revolution is an act of violence.'

Following an act of violence inflicted by a Jewish Doctor employed by a South American Roman Catholic Mission, I believe a revolution could be scientific, industrial and culturally awakening via a televised Gameshow, Sporting Championship and Music Video Series.

Introducing the storage location for the *'Awakening of the Ark of the Covenant and its Caravan of Treasures'*, raises a security issue for its neighbouring inhabitants. Addressing this concern resulted in that act of violence but also subsequent devising of Gameshow *'Time Tunnel – Atari Alliance'*, during recuperation in Brazilian Favela.

An uncomfortable age is entering, signified by the Sun commencing to lower in height and adjust temperament around about the time of the winter solstice 2018. An age - where survival - justifies my tyrannical act of self-promotion in composing this letter and accompanying statements intended for persons devoted to positions of power. Normal people are prone to acts of violence when learning they have been fooled, I request that the select viewers of music video *'Oculus Dei -The Whore of Babylon or Bob and Rocky'*, treat the knowledge gained with responsibility.

Politicians gain notoriety through ability to generate 'ideas', praying for a peaceful future, the idea to write to Her Majesty was inspired by the twin sister of a childhood friend of mine, who around about the time of your Silver Jubilee, wrote Her Majesty an *'Invitation to Tea'*. During the heyday of BBC's Jim'll Fix It, my childhood friend's family came into possession of a courteous reply from a Buckingham Palace Lady in Waiting.

Sadly, that kind good friend has now passed on, but he played a role in Los Angeles 1998 to assist the *'Awakening of the Ark of the Covenant'*, his vital contribution acknowledged in music video *'Ice Maidens of Atlantis – Lincoln Fields'* - https://youtu.be/NIFURqRWP_8

Hopefully, the future brings a generation of successful politicians that steer their ambitions in a direction that is environmentally friendly towards our Mother Nature. I currently possess zero political ambition (a retired engineer preferring to focus my energies on sport and art), but invite Her Majesty entertain the idea of using Grael Rock to assist the evolution of Thoroughbred Racehorse DNA and any lifeform DNA that can digest plastic waste in our oceans.

One politician at the current forefront of mass consciousness is the Jesuit trained Donald Trump. Observing that Her Majesty's coat of arms includes the Tudor Rose, I wish to seek approval of Her Majesty as to casting Donald Trump as his doppelganger Henry VIII in Time Travelling gameshow *'Time Tunnel – Atari Alliance'*. My own study of the Tudor Rose can be observed in video *'Starforts and Cymatics of the Tudor Rose'* - <https://youtu.be/81GI0Xupf70>

Yours faithfully

To whom it may concern.

Prior to presentation to Her Majesty I wish her highness be informed that I am the maternal grandson of Lt Colonel Lionel Dollery, to whom Her Majesty presented an MBE, rewarding his service with the Royal Engineers Regiment in Aden. My Grandfather then attended several Garden Parties at Buckingham Palace during the 1980's while Mayor of Gillingham.

Grandfather Dollery's onset of stomach cancer was the driving reason as to why I travelled to Australia via Los Angeles in 1998, desiring to meet his elder brother David of New South Wales, a trip that ended in Brazil and subsequent archaeological discoveries. On meeting Great Uncle David Dollery, a former Royal Marine Bandsman, he was proud to tell that once upon a time at a dance, Her Majesty queried 'Still enjoying your music Dollery?'

'Time Tunnel – Atari Alliance' gameshow contestant invitations have been gifted to members of the Conservative Party and Sir Richard Branson, identifying contestants by their birthdate Playing Card and Mayan Calendar Kin.

My Birthdate of 24th October 1969 – identifies me as 'Jack of Hearts – White Moon Wizard'. The following are also 'White Moon Wizards' – Joseph Smith, Alec Guinness, Vincent Price, John McEnroe and Cameron Diaz.

The footballer Paul Gascoigne was born under the sign 'White Rhythmic Wizard', perhaps if he had been aware of this identity he would not have become an embarrassment to England. The video 'Whore of Babylon or Bob and Rocky' was inspired by Theresa May sharing the same identity as Jimmy Saville that of 'White Harmonic Worldbringer'

Kind regards

Graeme
