July 2025

Dear Sirs

**Ref: Establishing Los Angeles Embassy to Significant Religious Object(s) – Jackie Chan**

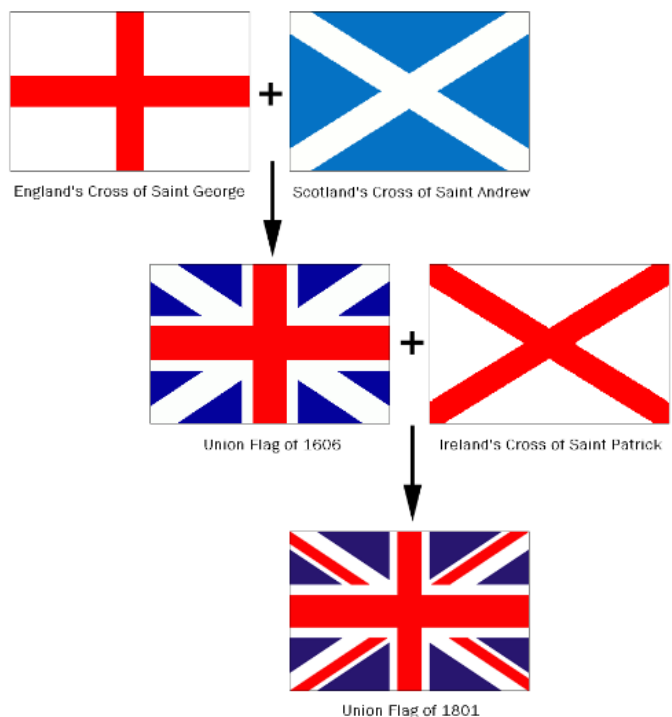

As ninth presentation to the SNP and sixth introduction to the Chinese Consul General, previous letters available on USB pen drive folder <Letters of Introduction>, I invite your review of letters intended for the following provided in folder <Letters of Introduction July 2025>:-

- Lord Malcolm Ian Sinclair, Earl of Caithness
- Families Windsor, Bourbon Anjou and Trump
- Chief Constable Nick Dean Cambridgeshire Constabulary HQ
- The Masonic Lodge of Johannesburg

Since the March 2025 presentation to the both of you in Scotland, following the inauguration of Pope Leo XIV restricted presentation *Jupiter Moon & Dismantling The Deep State* has been updated and available for your review on enclosed USB pen drive folder <Establishing Los Angeles Embassy/Restricted>

My previous presentation raised issue of gifting an antique Mahjong set to Jackie Chan and previous introductory letters to the Church of England <Letters of Introduction/Church of England> document a life's journey steered by key passages of printed text. Shortly after posting March 2025 presentation to you I picked up a copy of Jackie's autobiography *I Am Jackie Chan* from a free book swap stall in the cathedral city of Truro. My reason for taking a bus trip from Newquay to Truro on this occasion was to visit a branch of the Halifax bank as I had fell victim to an internet scam cancelling my debit card.

The scam in question was an AI generated online confidence trick where I was fooled into believing I had won a socket set from ScrewFix. Coincidentally since August 2024 I have been permanently parked in a motorhome close to a ScrewFix store on the Treloggan Industrial Estate Newquay and December 2024 I purchased a Range Rover from a neighbouring mechanic. My first drive of the Range Rover resulted in gearbox failure and realisation that I had been fooled into the vehicles purchase as the V8 engine had had an aftermarket LPG conversion that has seriously damaged the engine valves. Being gifted a socket set to commence repair I thought was a blessing. However this could be seen through Chinese eyes as an example of a classic 'British Double Cross' as portrayed in the Union flag.

The Crosses of Saint George, Saint Andrew and Saint Patrick unite to form the Union Flag or Union Jack of the United Kingdom.

I sentimentally bank with the Halifax as my first professional employment as a Design Engineer commenced in 1994 in the town of Halifax with PFE Ltd a manufacturer of synthetic fibre and production line machinery. This employment found via advertisement in the Yorkshire Post newspaper placed by the business owner Iranian Dr Medy Zarrebini who was a proud Range Rover driver. My gratitude to Dr Zarrebini for taking me off the dole is expressed in my first two letters of introduction to the Iranian government see USB pen drive folder <Letters of Introduction/Iranian Government> the second letter highlighting fact that British Petroleum commenced existence as the Anglo-Persian Oil Company. Coincidentally it is thanks to childhood friend Phillip Wigglesworth (deceased 2019) a merchant seaman employed by British Petroleum, that I relocated to Brazil to further my engineering career in 1999. Phillip having steered me into The Castle nightclub on Santa Monica Boulevard Los Angeles February 1998 where a romance with the Brazilian Fabiana Capel commenced, as told in video *Ice Maidens of Atlantis – Lincoln Fields* <ApollobathTV/Ice Maidens of Atlantis>.

Jackie Chan's strict upbringing disciplined him to **always honour his debts**.

Inviting your review of presentation *Jupiter Moon & Dismantling The Deep State* and chapter 4 *Los Angeles 2.0 and Babylon's Battle of the Palaces*, as President Donald Trump announced a week after the January LA wildfires recruitment of Mel Gibson, Sylvester Stallone and Jon Voight as Special Ambassadors to a troubled Hollywood. Sylvester Stallone and Jackie Chan have a project in development called *Ex-Baghdad*, which is an \$80 million China-produced action film.

*Ex-Baghdad* will feature a Chinese private security contractor (Chan) and an American former Marine (Stallone) who team up to stop a group of attackers from stealing oil from a China-run refinery in Iraq.

Further reports of Donald Trump's recruitment of Gibson, Stallone and Voight express vagueness in what duties these Hollywood Ambassadors are to undertake. However, Jackie Chan's parents were employed in service to the French Ambassador to Hong Kong and I wish to propose that Donald Trump's Hollywood Ambassadors take a lead role in establishing the *Los Angeles Embassy to Significant Religious Object* and adjoining *Cleopatra Suite* in the Playboy Mansion of Beverly Hills promoting the 13 moon calendar of peace.

Images of Mel Gibson's portrayal of William Wallace feature in gameshow franchise variant *Time Tunnel – Pandora Gate*. Ongoing dramatization projects feature the dimensional realms introduced by J M Barrie, Tolkien, C S Lewis, George Lucas, Glenna A Larson, James Cameron and J K Rowling all of which were brought forth thanks to 20<sup>th</sup> century western Christendom's freedom of thought and expression.

Hope to hear from you soon.

Yours sincerely,

Graeme Parker
