Dear Nicola Sturgeon

This is a third presentation to the SNP the previous two introductory letters are on enclosed CD.

I wish to introduce the Scottish National Party to a four part dossier under the collective heading **'Establishing Embassy to Significant Religious Object(s) Ark of the Covenant, Holy Grail and Caravan of Treasures'**. The four parts individually titled: **'Lifting the Veil'**; **'Anunnaki Conquest of the Free World'**; **'Grail Technologies'**; **'Camaiilot'** and are provided on enclosed CD or available for download at website www.apollobath.org – link – **'Crown Office and Embassy'**. Dossier part **'Anunnaki Conquest of the Free World'** has been divided into parts 'A' & 'B', due to the content **'Part B'** is unavailable for download but provided for your review on enclosed CD in folder **'Restricted'**.

In year 2005 a HSBC gold credit card was used to initiate a studios project supporting an archaeological expedition of the central region of Ilha Santa Catarina, Brazil. Expedition success has resulted in a large quantity of artistic material which can be viewed in a condensed presentation titled **'Phoenix Stargate and the Artistry of Divine Rule'** also provided on enclosed CD and available for download from afore mentioned website link.

To support this introduction I am sharing with you previous introductory letters to HRH Prince Charles; former Prime Ministers John Major and David Cameron and my current local MP Jonathon Djangoly together with artistic material and introductory letters intended for the Iranian Embassy of London; the Russian Cultural Centre Pushkin House; the Jamaican Embassy of London; the Japanese Embassy of London; London office to the Brazilian Aeronautical Commission in Europe and the Chinese Embassy of Edinburgh.

I wish to draw the SNP's particular attention to Chapter's 4,5 and 18 of dossier **'Camaiilot'**, relevant paragraph of Chapter 4 duplicated below:-

4.5 Grail combustion cauldron buried in Yorkshire for re-instating the crown of Scotland and Grail Technology for delivery to traditionalist Samurai Japan assisting an Avatar (maybe Arcturian) counter offensive.

Coinciding with your announcement as to a new independence referendum taking place on October 19th 2023, chapter 18 has been added to dossier 'Camaialot', titled 'Time Tunnel – Atari Alliance – Cosmic Wind versus Planetary Wind'. Proposing that an opening episode of gameshow Time Tunnel feature Nicola Sturgeon identified as 'Planetary Wind' and Boris Johnson identified as 'Cosmic Wind'.

Following the Mayan Calendar of Peace provides observation of the Gregorian day to day world from a higher perspective and it is quite remarkable that Boris Johnson shares Enchanted Wave 14 with Prince Charles; Barack Obama (also Bill Clinton as both former US presidents are identified as 'Self Existing Skywalker'); Emmanuel Macron and the deceased King George V of World War One fame....

Nicola Sturgeon's 'Kin' of 'Planetary Wind' is also shared with Jason Stratham and director of The Da-Vinci Code, Ron Howard (see <http://www.apollobath.org/EnchantedWaves/page21.html> - Castle White Study). Spawned into Enchanted Wave 5 together with Scotsmen Ewan McGregor and Sean Connery (Indiana Jones father being identified as 'Resonant Storm' the same as Muhammed Ali). I am also there identified as 'Luna Wizard' other Luna Wizards include John McEnroe, Vincent Price, Joseph Smith, Alec Guinness and fellow surfer Cameron Diaz.

Introductory letter to Andrew Lloyd-Webber highlights the spawning of Kylie Minogue and Jason Donovan into the 'light sabre experts Enchanted Wave 5' and invites the Lord Webber to compose an episode of 'The Ice Maidens of Atlantis', starring Kylie and Jason, Britney Spears being provisionally cast as 'Lady of the Lake'.

Boris's Enchanted Wave 14 is also home to U2 guitarist The Edge – identified as 'Galactic Earth', The Edge being on first name terms with vocalist Bono who resides in Enchanted Wave 19. Bono is also 'Wind' but of the Galactic type, Enchanted Wave 19 also home to John Major and David Cameron (see <http://www.apollobath.org/EnchantedWaves/page21.html> - Castle Green Study). Maybe the SNP could invite U2 to blow some sense of mind into the war mongering foursome of Boris, Charles, Macron and Obama!

Dossier 'Establishing Embassy to Significant Religious Objects' was originally commenced to support a portfolio of my music video productions. I had spent the Brazilian winter of 2010 camped in front of storage location for 'Ark Bibloteca', the knowledge to be recovered could be used to found a 'Global New Age Curriculum and Supporting Political Manifesto'.

I hope the Scottish National Party take this presentation seriously and understand that it is an exercise for me in targeting relief of a huge burden of knowledge and ideas which I believe could be used positively for the hope of a brighter and liberating incoming future.
