1st May 2023

To whom it may concern

This is a fourth presentation to the SNP the previous three introductory letters are on enclosed CD, the third introduction commenced with the following paragraph:-

*'I wish to introduce the Scottish National Party to a four part dossier under the collective heading **'Establishing Embassy to Significant Religious Object(s) Ark of the Covenant, Holy Grail and Caravan of Treasures'**. The four parts individually titled: **'Lifting the Veil'**; **'Anunnaki Conquest of the Free World'**; **'Grail Technologies'**; **'Camaialot'** and are provided on enclosed CD or available for download at website www.apollobath.org – link – **'Crown Office and Embassy'**. Dossier part **'Anunnaki Conquest of the Free World'** has been divided into parts **'A'** & **'B'**, due to the content **'Part B'** is unavailable for download but provided for your review on enclosed CD in folder **'Restricted'**.'*

Since presentation last summer this four part dossier has expanded and archives *Camaialot B* and *Anunnaki Conquest C* are now included on enclosed CD.

At the core of **Establishing the Los Angeles Embassy** is gameshow **Time Tunnel – Atari Alliance** and a proposed episode features in dossier *Camaialot A - Chapter 14 - Cosmic Wind versus Planetary Wind*, Time Tunnel gameshow identifying contestants by their individual Mayan Kin combined with birthdate playing card – **Camaialot**.

Nicola Sturgeon's birthdate of 19.07.1970 provides Camaialot id 9 Clubs – Kin 62 White Planetary Wind.
Boris Johnson's birthdate of 19.06.1964 provides Camaialot id Jack Clubs – Kin 182 White Cosmic Wind.

Many remarkable coincidences occur when studying *The Dreamspell 13 Moon Calendar of Peace*, providing the follower views of modern Gregorian society from a higher perspective – one such coincidence occurred on the 5th April 2023. On this day, television news reported the arrest of Nicola Sturgeon's husband Peter Murrell in regards to party funding and Scotland's independence campaign, by chance any baby born on this day would be identified as *Kin 62 White Planetary Wind* the same id as Nicola Sturgeon. See for yourself by visiting www.lawoftime.org/decode and entering 05/04/2023.

My previous letter to the SNP went on to say the following:-

*'In year 2005 a HSBC gold credit card was used to initiate a studios project supporting an archaeological expedition of the central region of Ilha Santa Catarina, Brazil. Expedition success has resulted in a large quantity of artistic material which can be viewed in a condensed presentation titled **'Phoenix Stargate and the Artistry of Divine Rule'** also provided on enclosed CD and available for download from afore mentioned website link.'*

I wish to draw the SNP's particular attention to Chapter's 4,5 and 18 of dossier 'Camaialot', relevant paragraph of Chapter 4 duplicated below:-

4.5 Grail combustion cauldron buried in Yorkshire for re-instating the crown of Scotland and Grail Technology for delivery to traditionalist Samurai Japan assisting an Avatar (maybe Arcturian) counter offensive.

This mission statement now resides in dossier *Camaialot B* and chapter 8.

Restricted dossier 'Anunnaki Conquest C - Chapter 39 - Epilogue The Flying Scotsman, Cleopatra's Spy' features Ewan Macgregor and a Time Tunnel Gameshow invitation to this Scotsman is provided with this presentation. I am seeking assistance from Chinese government for introduction to Jackie Chan and requesting likewise from the Scottish National Party for introduction to Mr MacGregor .

This correspondence shared with:-

- The Masonic Lodges of Ilha Santa Catarina, Brazil and Johannesburg, South Africa
- Station Commander of RAF Molesworth, England
- The Iranian Embassy of London
- The Chinese Embassy of Edinburgh
- Vice Chancellor of Cambridge University

I have spent the winter months housed by Social Services in a Russian owned Newquay Surf Hostel and due to financial constraints am required to vacate the premises on 29th April, my intentions are to return to living in a small motorhome and visit Scotland this summer and am seeking appointment with a Glasgow based debt collection agency – see letter provided.

Chapter 11 of dossier *Camaialot A* details paralysis disease **The Wormwood** that took my mother's life in 2002, consequence of experiencing onset of this parasitic infection in 2005 resulted in successful Brazilian archaeological expedition and supporting studios project – curing found with medicinal tea. In Edinburgh are offices to the Doodie Weir foundation <https://www.mynamesdoddie.co.uk/> and during upcoming visit to Scotland I hope to arrange meetings with a Glasgow debt collector; representative of the Chinese government; the Scottish National Party; the Doodie Weir foundation and old friends from my time as an Engineering Student at Napier University.

Kind regards

Graeme Parker
