Dear John

Ref: Establishing Los Angeles Embassy to Significant Religious Object(s) - introduction to Neil Oliver

This is my seventh presentation to the SNP (previous letters available on USB pen drive folder <Letters of Introduction/Scottish National Party>) my last presentation to you was sent in June of this year as a joint letter to the Chinese Embassy of Edinburgh. This presentation I intend to share with my hometown Huntingdon MP Ben Obese-Jecty and my godfather retired RAF station commander Maurice Arnold of Holywell Cambridgeshire. Ben Obese-Jecty has recently inherited the role of Conservative MP for Huntingdon from Jonathon Djangoly to whom I have been attempting to make presentation since June 2019 see USB pen drive folder <Letters of Introduction/British Government>.

My first presentation to Jonathon Djangoly introduced 2019 restricted video production '*Oculus Dei - The Whore of Babylon or Bob and Rocky*' see USB pen drive folder <Apollobath TV/Oculus Dei>. From which grew incentive to continue 'investigative journalism' that has culminated in the four dossier series presented under collective heading *Establishing Embassy to Significant Religious Objects (SRO) Ark of the Covenant, Holy Grail & Caravan of Treasures* the four parts titled:-

- Lifting the Veil
- Grail Technologies
- Camaialot
- The Anunnaki Conquest of the Free World

Since June of this year I have expanded dossier *The Anunnaki Conquest of the Free World* to a fourth volume titled 'D'. Previous volumes B & C I have marked as restricted and are unavailable for access from website www.apollobath.org – link – **Crown Office and Embassy** - but are provided for your review in USB pen drive folder <Establishing Los Angeles Embassy>. Compilation of restricted dossier *Anunnaki Conquest vol C* commenced during Boris Johnson's term as PM, following Keir Starmer's ascension to Prime Minister chapter 32. *The Osiris Moon Cult of London and Washington D.C* has been expanded upon and am providing you printed copies of the added material.

As a supplement to the dossier series - this week I completed presentation *Battlestar Galactica and The Anti-Rockefeller Agenda*, which should be of interest to those with political ambition; employees of NATO and descendants of the Clan Sinclair.

This summer I enjoyed taking up the sport of baseball with the Truro Blue Jays and this activity contributed storyline to introduce the Time Tunnel gameshow franchise (see dossier Camaialot A) and invite your review of A3 pdf document *Cleopatra's Baseball Star* available at www.apollobath.org – link – **Media Productions** – link – **Cleopatra's Baseball Star**. In USB pen drive folder <Establishing Los Angeles Embassy> can be viewed *Mooncult Timeline* featuring the 1878 London erection of Cleopatra's Needle.

2025 sees the release of a new Cleopatra film starring Wonder Woman Israeli born Gal Gadot and am requesting the Scottish National Party for introduction to Neil Oliver, whose YouTube podcasts are a recurring articulate outlet for his stress and concern of the current global political situation. Mr Oliver being a graduate in archaeology and a camera friendly highly knowledgeable historian I believe would relish the opportunity to assist establish the Los Angeles Embassy to Significant Religious Object. And following in the cleaning up of Hollywood footsteps trod by Ricky Gervais, an accompanying Cleopatra Suite in the Playboy Mansion Beverly Hills - a proposed Time Tunnel gameshow franchise presentation venue pushing the 13 Moon Calendar of Peace. Please find enclosed Neil Oliver's *Time Tunnel – Stargate Pandora* gameshow invite, his Camaialot identity being *Blue Lunar Storm – 4 of Diamonds* this year being *Year of the Blue Rhythmic Storm...*

Kind regards

Graeme Parker
