Ref: Establishing Embassy to Significant Religious Object

This correspondence also being shared with:-

Since deportation from Brazil in March 2012 and returning to my hometown of Huntingdon many hundreds of hours have been spent in Huntingdon Library preparing artistic material that is now being collectively presented under the heading '**Establishing the Los Angeles Embassy to Significant Religious Object**'. From November 2022 to May 2023 taking residence in Reef Surf Lodge, Newquay expanded portfolio to include dossiers '**Establishing Embassy – Camaialot B**' and '**Establishing Embassy – Anunnaki Conquest part C**' and on enclosed CD rom is material provided in May 2023 for the following:-

- Scottish National Party, Edinburgh
- Chinese Embassy of Edinburgh
- Iranian Embassy of London
- Vice Chancellor of Cambridge University
- Masonic Lodge of Ilha Santa Catarina
- Msonic Lodge of Johannesburg
- Station Commander RAF Molesworth

Most of the material is available from website www.apollobath.org and at link 'Crown Office and Embassy' are access PDF dossiers. Due to their content, dossiers '**Establishing Embassy – Anunnaki Conquest parts B & C**' are not provided for download but are included for your review(s) on enclosed CD rom.

I would like to bring your particular attention(s) to '**Establishing Embassy Camaialot B**' and '**Chapter 4 Stargates of the World United**' the research of Wayne Herschel decoding symbolism of the worlds four largest religions Christianity, Hinduism, Islam and Judaism combining to form the star map directing to humanities origins. Also, '**Chapter 9. The Awakening of the Sacred Fire within the Ark of the Covenant**' this text provided by British artist Damian Nola in 2005 of which my exposure to resulted in successful archaeological expedition and supporting studios project – Ilha Santa Catarina, Brazil.

Throughout presentation the Mandela Effect regularly features and this phenomenon is introduced in Chapter 1 of '**Establishing Embassy Lifting the Veil**' and website <https://thesupernaturalbiblechanges.com/> provides a comprehensive study of recent Supernatural Bible Changes!

I recall hearing Moira Stuart on Classic FM raising question as to what artistry the lockdown's would produce and Classic FM features in Chapter 3 of '**Establishing Embassy – Anunnaki Conquest part A**'. I have provided two correspondences for the Islamic Republic of Iran and wish to invite the Huntingdon Islamic Centre to meet me in person and consider opening liaison with Iranian government. I am best contacted by phone number provided at head of this letter.

Yours truly

Graeme Parker
