November 2023

**Ref: The Nuremburg Code for Medical Experimentation and Advocacy Representation**

This letter provided together with a general letter of introduction referencing: *Establishing Los Angeles Embassy to Significant Religious Object(s)* of which raises topic of the Covid-19 pandemic and invite your study of second letter of introduction to Cambridgeshire Police Chief Rebecca Tipping and the references made - available on enclosed CD Rom folder <Letters of Introduction/British Government>.

Chapter 4 of dossier *'Establishing Embassy – Lifting the Veil'* concludes with the following:-

The dollar symbol originates from Spain's coat of arms and the banner 'Ne Plus Ultra' (nothing greater beyond) strewn between the second 'Pillars of Hercules' of Gibraltar and Morocco situated at the mouth of the Mediterranean Sea. Marking a journey westwards into the Age of Aquarius the two pillars represent an equal balance of power between the Church and the State.

The dollar symbol victim to the Mandela Effect December 2018 and was reduced to one totalitarian upright as is the World Trade Centre.

1988 movie 'Working Girl' set in New York, stars Harrison Ford and the theme song written by Carly Simon sings 'The New Jerusalem'.

For an ongoing record as to the Mandela Effect and Bible text changes see <https://search.thesupernaturalbiblechanges.com/changes>. This phenomena introduced in dossier *'Establishing Embassy – Lifting the Veil and Chapter 1. The Mandela Effect and CERN'*.

The Covid-19 P(L)andemic saw the unprecedented action of Government wielding power over Church and enforcing prohibition of communal religious congregation – government controlled Police having power over Priesthoods. An example of how News bulletins control the public because the public has no control over the News they're being fed., CD Rom folder <ApollobathTV/Covid Truth> providing video evidence of qualified Doctors revealing the truth.

Asking Google the question '*What medical treatments do Jehovah Witnesses refuse?*'

Provides the answer:-

*'Jehovah's Witnesses love life and do whatever is reasonable in order to prolong it. Hence, they seek quality health care and accept the vast majority of medical treatments. However, for Bible-based religious reasons, Jehovah's Witnesses do not accept allogeneic blood transfusion.'*

Understanding the Jehovah Witnesses to be a strong minded congregation in upholding their beliefs I invite your study of my '*Injury Report*' and document titled '*Advocacy Preparation*' provided on CD Rom in folder <Letters of Introduction/Jehovah Witnesses>.

On learning to surf in Praia Mole during 2002 (having lost Brazilian aerospace employment following the 9/11 felling of the WTC) I was befriended and advised by a travelling Australian surfer named Ashton, who had arrived in Brazil via Peru and Machu Picchu, he providing words of wisdom '*Brazil is both the future and the past...*'

My '*Advocacy Preparation*' details the incident(s) of a Brazilian Policeman having power over a Medical Doctor as to the enforced administration of synthetic medicinal compounds – actions that are currently contrary to practise in the UK and Europe.

Chapter 3 of dossier '*Establishing Embassy – Anunnaki Conquest of the Free World part A*' concludes with the **Nuremberg Code** which commences with the guidance as to medical experimentation:-

1. *The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, **without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion**; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision.*

I understand Governments exist to tell population how to *think* whilst priesthoods exist to tell population how to *feel*. I'm sure many of the general populace will *feel deceived* as to having been **coerced** into being inoculated against the best interests of their long term health but in the best interests of the rise of Artificial Intelligence.

My own experiences of a secure psychiatric ward annexed to a Roman Catholic Mission and long term injuries inflicted may provide a case study for upholding the Nuremberg Code for medical experimentation and invite the Jehovah Witnesses of Lagoa da Conceicao to pass document '*Advocacy Preparation*' onto a Legal Representative. Advocacy Preparation document also being presented to Stephanie Al-Qaq of the British Consulate-General São Paulo and the Masonic Lodge of Ilha Santa Catarina – CD Rom <Letters of Introduction November 2023>. As an entertainer being sold to Rome for medical experimentation features in video '*The Killing Moon*' - CD Rom <ApollobathTV/Historical>.

On departing Praia Mole, Aussie surfer Ashton (Simon Le Bon lookalike) met Britney Spears at a party in Miami, on my deportation from Brazil my father and brother (both ex Royal Air Force) had me treated as a mentally ill ex-convict, denied access to family homes I was housed by social services in Ashton Gardens Huntingdon. An example of how military trained minds refuse to question (Brazilian) police authority if doing so takes them out of their current comfort zone.

Kind regards

Graeme Parker
